

Sunshine Math

Dear Parents,

Kindergarten and first grade Sunshine Math will begin on Monday, January 8th, 2024. Students who *choose* to participate will complete their challenge before Spring Break. The schedule is posted on the back of this paper.

For those of you who are not familiar with the program, Sunshine Math is a voluntary Schoolwide Enrichment Program available to any students who want to try the problems each week. It is a 10 week program designed to complement the regular math curriculum that we have at Three Bridges School. Sunshine Math problems are meant to be challenging and engaging. Participating students complete the challenges **at home** each week and return their papers to the *Sunshine Math* envelope in their classroom. I will distribute challenges to students each week, usually on Mondays. Papers are due anytime before the **following** Monday when a new challenge will be sent home.

The process for participating in Sunshine Math is simple. If your child wants to participate, have them complete **week 1** by **Tuesday, January 16th** (note: normal turn in date is every Monday, but we are not in school on the 15th). Participating students are expected to complete all ten weeks, and will be recognized with an award for their efforts!

Thank you for allowing your child to embark on this mathematical adventure. Please feel free to email me with any questions regarding Sunshine Math. I can be reached at jnabozny@readington.k12.nj.us
Warmest Regards,

Mrs. Nabozny

Most weeks run Monday- Monday (Given Monday, due the following Monday)

<i>Week</i>	<i>Date given</i>	<i>Due date</i>
1	January 8th	<i>January 16th</i>
2	<i>January 16th</i>	January 22nd
3	January 22nd	January 29th
4	January 29th	February 5th
5	February 5th	February 12th
6	February 12th	<i>February 20th</i>
7	** February 26th	March 4th
8	March 4th	March 11th
9	March 11th	<i>March 19th</i>
10	<i>March 19th</i>	March 25th
