COMMUNICATION

Committee Report - None

UNFINISHED BUSINESS

- Affordable housing - The board previously inquired if a member from the Township would present at a public school board meeting information on future housing and impact on enrollment. Dr. Hart highlighted the Township had hired a consultant and attorneys to perform their public presentations given context of matter making it difficult for a member of the Township to directly present, as well as costs involved. However, a thorough presentation, video recording, minutes and the master plan are available to the public on the Township's website.

- Green Committee Meeting minutes were provided by Eric Zwerling. Minutes included:
 - Students with Betsy Freeman, RMS Teacher, presenting a project on gardening relating to recent grants received and awarded.
 - Jodi Bettermann providing an overview of solar energy being generated by the district, which is low compared to projections but primarily due to inverters flooding at HBS in the detention basin and metering problems, which have since mostly been resolved. Ameresco is looking into raising the inverters to protect the equipment, and the board also has contractual guarantees every 5 years if performance is not met.
 - Planting date is scheduled for late May at the HBS habitat with students, staff and volunteers. Efforts will primarily be to protect current plantings. Next school year it was suggested for students and staff to help design the long-term plans for the HBS habitat and potentially meet requirements to be a Certified Wildlife Habitat.

NEW BUSINESS FROM BOARD

- Memorial Day - Wayne Doran, former board member, had in prior years organized the effort to represent the board publicly at Memorial Day activities in the Township. Laura Simon asked for volunteers from current board members; however none explicitly committed at this time. Further, if moved forward, it was suggested appropriate materials, banner, and so forth accompany those attending to make the effort more successful.
- School Board Security Conference - Thomas Wallace highlighted a security event sponsored by NJSBA on June 7 for those interested to attend.

OPEN TO THE PUBLIC

- Christine Crielly wanted to thank everyone for a thorough conversation at the board level during the Personnel section of the agenda, and looks forward to working with administration/board members in coming weeks.
- Wayne Doran, resident, suggested modifying the angle of the live stream so online viewers could see all board members and the presentation. Further, he provided background on past Memorial Day activities and history, encouraging new members to reach out to the community in effective ways with appropriate materials.
