

# RMS Nature & Garden Club

RMS Garden Club is a service club that maintains gardens around the school. This is a great opportunity to learn how to grow a plant from seed to harvest. Members get to bring home harvests and help improve the environment around our school. Our season begins with a seed-planting party and ends with a harvest party in June. Please wear sneakers and bring garden gloves and a drink.

We will be meeting on Wednesdays this spring from **2:30 – 3:30**.
