

We can all use a break from cooking!

The Readington Twp. Public Schools have teamed up with the QCrew BBQ Catering Co. to make dinner easy for Wednesdays April 14 and April 21, 2021 with order pick ups at Holland Brook School each day.

QCrew BBQ is happy to offer their full GRAB N GO menu for this fundraiser! QCrew BBQ will then donate 15% of your order back to the Readington Schools HSA. The funds raised will go towards many programs and projects for the students throughout the year.

### **Here Is How It Works!**

- 1) Go to **QCREWTOGO.COM** to see the main menu selections.
- 2) While starting your order simply click on the Readington Township PS Icon and add this item to your cart to ensure the 15% donation of your bill is counted.
- 3) Once you have completed your order, view your cart to check out. Then select **Pick Up Location** *Holland Brook School (52 Readington Rd. Whitehouse Station, NJ 08889)* You will then pick your date and pick up time. Pick up times are from 4 - 5:30 PM each day.
- 4) Complete the check out process. Payments can be made using credit card, cash or Venmo.

**QCrew requests that all orders are placed BEFORE 6:00 pm the day before your selected date.** It is ok to place your order days in advance if you choose.

What if you miss the 6 pm deadline? Simply call 908-731-6900 to check for availability. QCrew will do their best to fulfill your order even if it is the same day.

***As we all know, take out food can be an adventure! Qcrew To Go menu items are heat and serve with simple heating instructions. The menu is offered this way to ensure consistency each time you order! Most items heat within minutes.***

***Any questions please call Qcrew BBQ anytime at 908-791-6900***
