September 12, 2023

Dear Readington Middle School Parents and Guardians,

On behalf of the Readington Middle School Staff and Faculty, we would like to invite you all to our annual Back to School Night evening on September 19, 2023. The evening will start promptly at 6:00pm in our cafetorium and conclude by 8:00pm.

The purpose of this evening is to provide you with an opportunity to understand about your child's educational program at Readington Middle School. It will also give you a chance to visit the school and see where we are headed this school year.

Only parents and guardians should attend Back to School Night. The program is not geared towards students to attend but we hope that you share with your students what you have learned this evening with them! This evening will provide you with an opportunity to meet your child's teachers and understand how the day is organized for our students by going through their schedule class by class.

During your child's encore periods, you will have a chance to meet with either our Encore Teachers in the front gym, our Health and Physical Education Teachers in the back gym, or our Music Teachers in their music rooms. During your students' lunch period, you may visit the cafeteria to see the book fair, meet with community organizations, or hear a presentation from Hunterdon County Polytech. A blank schedule is included in this message so you can follow your students schedule.

**Please try to limit to one car per household and if you can, carpooling is encouraged as parking is limited.** You may park by Holland Brook and the Board of Education office if needed. Please enter through the main entrance or the bus entrance.

We look forward to having you next week for what I believe will be a great evening. Go Vikings!

Mr. Timothy Charleston  
Principal, Readington Middle School

Dr. Jonathan Moss  
Assistant Principal, Readington Middle School
