## WRITE

In September, you'll be asked to write a response about one of the books you read.

As you read, please jot down a few notes to the questions below so you'll easily remember these details from your books when it's time to write your response in September.

1. Who are the main characters, and what personality traits do they possess?
2. What is the main conflict of the book?
3. What is the theme? What important quotes did you find?

We've created a tracking sheet for you [here](#).

## HAPPY READING!
