

Day 10

Science: Kid's Corner Animals

Go to www.sheppardsoftware.com/web_games.htm

- 1) There are 5 games, pick at least 3 to try! Have fun.
- 2) Go to Freaky Animals and tell me which animal is the freakiest to you. Explain why.

Math: Math Workshop Problem

- 1) Read and solve the problem below. Don't forget to show your work with a picture or chart, include number models and explain how you solved the problem.

Jack and Jill went to the beach for the weekend. They collected shells in their buckets. On Saturday Jack collected 7 shells and Jane collected 10. On Sunday Jack collected 9 shells and Jane collected 7 shells.

Who collected the most shells over the weekend?

Language Arts- Go to www.writingfix.com

Click on Writing Prompts and then Quick Writing Prompts for Kids.

- 1) Try the Feeling Game: Write about a personal experience and use interesting details. Press the buttons until you are inspired.
