

Day 9:

Language Arts- Proofreading

Log on to the following website:

<http://www.gamequarium.com/punctuation.html>

Click on the activity link named "Power Proofreading." (It will be the first one listed) Click on the 4th grade folder. You may choose any of the stories that you find interesting to proofread.

Proofreading is a very important step in the writing process. During this activity, you will have the chance to proofread different stories and make the necessary changes to create a perfect paper. This activity will help you when it comes time for you to edit your own writing pieces. You must proofread at least 3 different stories. You are more than welcome to proofread more if you would like. Take the time to read the stories through first, and then go back and start making any changes that you feel are necessary.

Remember, you **MUST** proofread at least 3 stories. I encourage you to try and proofread more because practice makes perfect!

Science- Planet Earth

Earth is being threatened everyday by several different forces. There has been a lot that people can do to help reduce the harmful effects from these horrible forces. Recycling is an important action that is being taken by people all over the world. Come up with 3 reasons why it is important to recycle. If you need some help coming up with a few reasons, try answering the following questions: How does recycling help the Earth? How can people start recycling if they aren't already? What products are the most important to recycle and why?

For each reason that you list, be sure to support it by using detail and evidence when possible. Be sure your response is written in complete sentences.

Math-

Angles

Visit www.brainpop.com In the search box, type in angles. View the movie on angles. Complete the activity page at the end. Answer the questions on the quiz at the end.

Social Studies-

Travel Brochure

Select one of the regions we are learning about this year (Northeast, Southeast, Midwest, Southwest, and the West). Create a travel brochure about that region. It should include top tourist locations to visit in that region, a map, and at least 3 pictures.
