

Welcome 5th Grade Bobcats!

We are so excited to welcome you back to Holland Brook School. Fifth grade is filled with so many amazing adventures. Fourth grade was great, but fifth grade is going to be even better because we are in it together and YOU are a leader of our school. How exciting is that!

The classroom is all set for the school year and now all it needs is YOU!! In fifth grade, you will have the experience to work with a few teachers. For Language Arts, you will either transition to Mrs. Dowden or Miss Sloan's classroom. During Math, you will either stay with Mrs. Noonan or transition to Miss Sloan's room. For Social Studies and Science, we will all be together. We are so excited for the year to begin!

We can't wait to see you soon and share all the wonderful things that we will be doing this year. Being a part of the Noonan/Sloan team is going to be great. You just wait and see. It is going to be fantastic!

Here's to a great school year!!

Sincerely,

Mrs. Noonan & Miss Sloan
