

## Holland Brook School

### GRADE 4 HBS FIELD TRIP PERMISSION SLIP

September, 2021

Dear Holland Brook School Fourth Grade Parents,

As part of our science curriculum, all fourth grade students will study the south branch of the Raritan River, located in Three Bridges, and will attend two river field trips for exploration. Below are the fall and spring schedules.

Students should wear appropriate clothing and footwear as they will be going into the river (shallow area) to measure water flow and search for aquatic creatures. In order for students to enter the water, they need to wear boots, an old pair of sneakers or water shoes. Students should wear long pants, loose at the knee so they can be rolled up while in the river. Students will be studying plant and animal life found along the river. Long pants are encouraged to protect from possible poison ivy exposure.

**Departure time 9:00 a.m., returning around 12:30 p.m. Rain dates: Fall-9/27, 9/28 Spring-6/9, 6/10**
