September 2015

Dear Parents,

Welcome back to all returning families and a big warm welcome to all new families just starting their journey at HBS! We are very excited to be participating once again in the Campbell's Labels for Education Program. Campbell's Labels for Education is a school fundraising program that serves as an alternative to traditional fundraising. By saving and redeeming product proofs of purchase, we can earn FREE educational merchandise for our school.

To participate, here is what you need to do:

1. **Refer to the list of eligible products (You'd be surprised what else is eligible. A lot of new products have been added this year.).**
2. Collect the UPC codes (see the picture below) or caps of eligible products.
3. **Send the UPC codes and/or product caps to school in an envelope clearly marked Labels for Education and your child's Homeroom TEACHER'S name.**

This year, the top two classes that submits the most proofs of purchase will earn EXTRA RECESS at the end of the school year.

Attached to this letter is a list of Campbell's products that are eligible for redemption, as well as which product part (UPC Label or cap) needs to be submitted for proof of purchase. See the picture below for an example of a complete UPC label that is required for our school to earn credit.

Please feel free to contact me for any further information. I will send out periodic reminders throughout the school year as well as a status report as to which classrooms are closing in on those top two spots!

Thank you in advance for your support!

Regards,
