Dear Dr. Moss,

I am delighted to extend my heartfelt congratulations to you, and the staff of Holland Brook School and the Readington Township Public School District on earning the prestigious *2024 Best Communities for Music Education Award* from the NAMM Foundation for the first time in district history. It is an extraordinary accomplishment and Holland Brook School deserves every bit of recognition for their contributions to the district's success.

The school's extraordinary commitment to music education has had a profound impact on the community. I applaud the music department for nurturing a facility for and appreciation of the arts in all your students and salute your community for supporting and encouraging the arts in the schools.

Once again, congratulations on this well-deserved honor. I extend my best wishes to you and the Holland Brook School for a productive school year ahead.

Sincerely,
