April, 2022

Dear Parents/Guardians,

Thursday, April 28, 2022, is **Take Your Child to Work Day**; a day when parents can take their children into the workplace. The day provides an excellent opportunity to introduce children to the world of work and their parent's occupation.

The observance was first held in 1993 and was called *Take Our Daughters to Work Day*. It was sponsored by the *Ms. Foundation* (a non-profit organization dedicated to promoting awareness of women's issues). The purpose of the observance was to expose teenage girls to career options, and to build their self-confidence. The observance was extremely well received. By the year 2000, over 25 million children participated in the event. Today, many firms have expanded the observance to include sons as well as daughters.

If you plan to take your child to work with you, please fill out the form below and return to the HBS office by **April 27, 2022**. Participating in **Take Your Child to Work Day** is considered an excused absence, as long as the school has documentation that you intend to participate with your child.
