

MEET THE TEACHER

Miss Ricardo

Dear Parents/Guardians and First Graders,

My name is Miss Ricardo and I am so excited to meet you all in September! I would like to tell you a little bit about me! This school year will be my third year teaching first grade at Whitehouse School. I graduated from the College of New Jersey with a Bachelor's Degree in Elementary Education and Psychology. My favorite things to do in my free time are drawing, hiking, going to the beach and spending time with my family.

Another thing I absolutely love is reading! My favorite book series when I was in first grade was Junie B. Jones. I can't wait to see what your favorite book will be as we will be reading a lot this year. Along with reading, writing will also be something we will be further developing. It's never too early to start brainstorming topics you would like to write about since we will begin the school year with writing personal narratives. In math, we will be going over topics such as addition, subtraction, telling time, counting money and so much more!

For our first day of school on September 5th, please remember to bring a healthy snack and a water for our morning and afternoon break (no juice). See you on the first day of school in Room 119! ☺

A few of my favorites...

Color: Purple

Animal: Dogs

Season: Fall

Subject: Reading

Genre of Book: Realistic Fiction
