While the Readington Township School District is beginning the year fully remote, we are working toward reopening schools for in-person instruction later in the fall. In order to do this, we need substitute teachers. If you have 60 college credits or have your NJ teaching certification and are looking for experience, you can be a substitute for us. This will help ensure we bring students back for in-person instruction. We pay a rate of \$95/day. Please see the [attached flyer](#) for more information or simply click on the following link for a Google Form to start the application process, please [click here](#). If you have any questions, please contact Lisa DeTommaso at 908-534-2896.
