

## Habitat of Humanity

Raritan Valley Habitat for Humanity recently opened a ReStore in Manville at The Marketplace at Manville, 110 North Main St. (next to Walmart). The Habitat ReStore sells building materials, appliances, new and gently-used furniture, and home accessories to the public at a fraction of the retail price. The proceeds from the store go directly toward our mission of building affordable homes in Somerset and Hunterdon Counties. When you shop at the Habitat ReStore, every purchase helps make a difference!

We have opportunities to volunteer at the ReStore which is staffed largely by volunteers. Come meet new friends, learn new skills and make a difference.

Remodeling, cleaning, or just getting organized? Consider donating your excess household goods and building materials to the ReStore. We'll gladly accept your new and gently-used items and you'll have the satisfaction of knowing you've kept waste out of the landfill and helped support local families in our community.

For 28 years, Raritan Valley Habitat for Humanity has put God's love into action by bringing people together to build homes, communities, and hope. The organization is building its 53<sup>rd</sup> home in Franklin Township. The vision of Raritan Valley Habitat for Humanity is a time when everyone in Hunterdon and Somerset counties has a decent place to live.
