About Midland

Mission

Midland promotes personal achievement and fosters independence for children and adults with intellectual and developmental disabilities by providing a range of innovative programs.

Who We Are

Founded in 1960, Midland is a New Jersey not-for-profit, 501c3 organization comprised of The Midland School and Midland Adult Services (MAS).

The Midland School is an approved private special education school dedicated to the individual, academic, social, emotional and career education needs of children, adolescents and young adults, ages 3 through 21, with developmental disabilities. Partnering with an array of businesses and corporations, Midland's extensive career education, and school-to-work transition program places a high percentage of Midland students in competitive jobs prior to graduation.
