

Whitehouse School Library
invites you to participate in our
Ninth Annual

Flip Flop Book Swap

Books make for a
Fun-in-the-Sun
Summer

Bring your books to the Whitehouse School Library by May 23rd

Books may be new or used, but please make sure all books are in good condition and are appropriate for elementary school students.

Please, no preschool "board books" or magazines.

Please put the books in a BAG that is labeled with:

- student's name*
- classroom and grade level*
- number of books in the bag*

During the week of June 3-7, students will have the opportunity to choose other books to take home.

How it works:

- Students will take home ONE LESS book than they bring to the swap. (For example, if Joey brings in 5 books, he may take 4 books home.)*
- All the books left over will be donated for distribution to children in need.*

****Please be aware that students may not wear flip flops to school, as this is against the dress code.*
