

Music

<http://www.nyphilkids.org>

<http://www.dsokids.com>

These two sites are great for reinforcing concepts that are taught in our music curriculum...students may learn about instrument families, famous composers, composition and note reading, etc. There are fun games and ideas on how to practice at home.

Physical Education

www.Pecentral.org

www.njapherd.org

www.aahpred.org

These sites give info and activities on physical education.

Math

www.aplusmath.com

This site has fun math practice and flashcards, too.

<http://www.eduplace.com/math/mthexp/>

This site is the parent site for our Math Expressions program published by Houghton-Mifflin.

<http://www.amathsdictionaryforkids.com/>

This is an interactive math dictionary where you can look up a math term and do an activity to gain hands-on experience with the concept.

http://www.internet4classrooms.com/math_elem_index.htm

There are games in all strands of mathematics, such as measurement, time, money, etc.

<http://www.mathplayground.com/> - There are math games, word problems, logic puzzles, math videos, and more at this website.

Mathslice.com 

<http://www.mathslice.com>

Play online math games like Math Wheel (math terms), Jeopardy (addition), and Finding Nemo (direction) or generate custom math worksheets on topics such as telling time, fractions, money, and many more!

Literacy

www.starfall.com

Perfect for kindergarten, first grade, and second grade. Contains exciting, interactive books and phonics games. This site can be used for phonics and reading practice. There is also a memory game with sight words.

www.readingrockets.com.

I like it because it teaches pre reading skills for early readers and strategies for struggling readers. It is also beneficial for teachers because it informs them about different techniques and resources for reading for the whole family.

www.spellingcity.com

Spelling practice made fun!

www.fcrr.org

The Florida Center for Reading Research has activities for the BIG 5 areas of reading, grades K-5

<http://www.earobics.com/gamegoo/goeey.html>

A fun site featuring educational games promoting early reading skills and more. Targeted at kindergarten to 4th grade children.

www.kidsreads.com

Join an online book club or post your own book review here.

www.bookadventure.com

Read books and answer quiz questions correctly to earn points towards prizes on this fun reading incentive website.

www.readwritethink.org

This site has many interactive reading and writing tools for students, such as a brochure creator, a newspaper press, a character trading card creator, and much more!

Government

<http://bensguide.gpo.gov/9-12/games/interactive.html>

Teaches kids from kindergarten through 12th grade about the Federal Government.

www.270towin.com

This web site shows the map of the United States of America and the number of electoral votes for each state. You can see the results of all the past presidential elections.

Variety of Topics

<http://www.4kids.org/games/>

A variety of online games that offer a fun approach to learning math, language arts, vocabulary and thinking skills.

www.pbskids.org

For Preschool, K and 1- many educational games using favorite characters

www.internet4classrooms.com

A site for k-12 teachers/parents for all subjects- it lists skills by subject and grade and gives you a link. (Sadly, some of the links are broken, but it's still a great site.)

<http://www.kidport.com/>

Kidport provides a unique, multi-step program to teach K-8 students thinking and learning skills. Kidport also provides math, science and social studies

www.primarygames.com

This site has activities for several content areas. It is a favorite with some of the children.

<http://www.bbc.co.uk/schools/laac/menu.shtml>

This is another great site for students to work on independently. There are choices for puzzles, mazes, spelling, rhyming, adding, subtracting, reading and listening activities. There are very appropriate games for first graders.

Typing Practice

<http://www.freetypinggame.net/>

Great, fun website to practice your typing skills.

<http://www.bbc.co.uk/schools/typing/levels/level1.shtm>

Great, fun website to practice your typing skills.

Geography

<http://www.yourchildlearns.com/mappuzzle/us-puzzle.html>

Learn the geography of the United States with a free educational map puzzle. Learn the states and capitals of the United States.

Library

www.janbrett.com

You can spend hours at this site with interactive activities, playing games, printing out coloring pages or favorite characters for puppets, listening to talking books, designing your own cards with envelopes, etc., etc., etc.

www.dianedegroat.com

A wonderful website by children's author Diane deGroat. The website is easy to navigate and is especially kid-friendly! Explore the author's numerous books and the many, many fun activities available.

www.angelinaballerina.com

If you love Angelina, you will love this beautiful website. It is perfectly "choreographed" and is accompanied by lovely music. Here you can meet Angelina's cast, choose one of her many fun activities, and even view live ballet. This website is perfect for the aspiring ballerina!
