

August 2025

Dear Terrific Third Grader,

Welcome to Third Grade! My name is Mrs. Weintraub. I am super excited to be your teacher this year! I hope that you had a great summer. I cannot wait to meet you in September and hope that you are ready for a fun-filled third grade year.

There are so many new and exciting things to learn in third grade. In science we will be learning about force and motion, water and climate and structures of life! We will be learning multiplication and division, too. In third grade, you will learn how to write in cursive. I know it will be a great year of learning!

In addition to the items requested in the Back to School Supply Kit, the following school supplies will be useful as we begin the school year. Please bring all items with you during the first weeks of school.

Please bring:

- a NUT FREE snack
- 1 smock or old shirt for Art Class
- Pair of earbuds/headphones in a Ziploc bag with your name on it
- An old sock or eraser (for your whiteboard)
- A favorite book to read

\*Optional items our classroom could always use:

- paper towels
- tissues
- ziplock bags (quart or gallon sized)
- baby wipes (not chlorox)

Enjoy the rest of your summer! I can't wait to meet you!

Sincerely,  
Mrs. Weintraub
