## Thank You Care Packages for Readington First Responders during Covid-19 Pandemic

### **HELP DONATE ITEMS IN SUPPORT OF Readington First Responders**

Looking for Community support to come together to show our thanks for all that First Responders do for us in Readington especially during the Covid-19 Pandemic. They are at risk everyday for us. We want to show our THANKS. My Eagle Project will be making about 200 care package for 4 Fire Depts, Police Dept and Rescue Squad.

### *Readington Classroom Donation Contest **Due 12/20/20***

I have attended Three Bridges for preschool and also attended Whitehouse School, Holland Brook and RMS. I am asking teachers to have their classrooms help me with my Eagle Project and support our First Responders. *If you can have your students write a simple letter or picture thanking our First Responders that will be included in the care packages to bring a smile and let them know their community appreciates them.* I would also ask that teachers have their class participate in a **CONTEST** for each classroom to have their students bring in donations that I would also put in the Care Packages. The winning classroom out of all the Readington Schools with the most donations will have their classroom picture put in the Readington News community newspaper and describing how they helped with my Eagle project and supporting Readington First Responders.
