0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public comment at every regularly scheduled meeting of the Board. Public participation shall be governed by the following rules:

1. All statements shall be directed to the presiding officer. No participant may address or question Board members individually unless directed by the presiding officer.
2. A participant must be recognized by the presiding officer and must preface comments by an announcement of his/her name, place of residence, and group affiliation, if appropriate; Web participants will type the information in as a preface to their comments.
3. If the Board of Education is webcasting the public meeting, the “chat” feature will be on during the public comment sessions only.
4. No participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard and time permits.
5. In order to provide sufficient opportunity for the public to be heard, a time limit of three minutes for each participant may be observed. Webcast participants making comments via chat may only enter one 256 character comment, excluding the announcement of his/her name and place of residence, unless the presiding officer asks for clarification or further information. The President may, at his/her discretion, limit discussion on any topic. The portion of the meeting during which the public is invited shall be limited to sixty minutes.
6. The presiding officer may interrupt, warn, or terminate a participant's statement when the statement is too lengthy, abusive, obscene, or irrelevant. The presiding officer may take other steps, including but not limited to adjourning the meeting or waiving any of the rules of the Residents' Forum, to respond to a lack of public decorum, or to otherwise protect privacy or the efficient completion of the Board's business.
