- 3.10 **BE IT RESOLVED THAT THE BOARD OF EDUCATION** of Readington Township upon the recommendation of the Business Administrator approves the renewal of the food service management base year contract with Maschio's Food Service for the 2022-2023 school year as follows:
- Maschio's guarantees a return to the School Food Authority in the amount of \$20,000.00. In the event the actual bottom line of the operational report (total revenue from all sources less program costs, including the management fee) is below this amount, Maschio's shall be responsible for any shortfall with the following conditions:
- a) There shall be no change in the School Food Authority's policies, practices and service requirements including changes in bell schedules and or meal service periods.
  - b) The proposed pricing schedule is approved.
  - c) The proposed staffing schedule is approved with no alterations.
  - d) The state or federal minimum wage rate and taxes in effect as of January 1, 2022 shall remain consistent throughout the year.
  - e) The projected number of service days for lunch will be 181 for all schools.
  - f) There shall be no reduction in service days due to inclement weather schedule changes (i.e. early dismissal, delayed opening).
  - g) The government reimbursement rates shall be no less than the rates for the previous school year.
  - h) Vendor prices shall remain constant throughout the year.
  - i) Average daily attendance shall remain at the same level as the previous school year.
  - j) The number of free and reduced price participants shall remain at the same level as the previous school year.
  - k) USDA donated foods including both entitlement and bonus foods, and including the value of donated foods contained in processed end products will be no less than the previous school year.
  - l) Usable USDA donated foods, of adequate quality and variety required for Maschio's proposed menu will be valued at no less than the previous school year's value per reimbursable meal.
  - m) There shall be no restrictions in a la carte sales. Sales will be permitted at all locations for the term of this addendum.
  - n) Service hours, service requirements type or number of facilities selling food and/or beverages on School Food Authority's premises shall remain consistent throughout the year.
  - o) There shall be no competitive sales during all service hours.
  - p) Any changes in legislation, regulations, reimbursement rates, meal components and quantities required by the Child Nutrition Programs or changes in the USDA Smart Snack Policies will affect the guarantee.
  - q) Due to the volatile nature of raw material costs, Maschio's and the Local Education Agency shall review quarterly costs associated with the paper and plastic supplies and fuel surcharges on other deliveries. Any changes in Maschio's costs shall result in an appropriate change in the guarantee.
  - r) There will be no cessation of labor within the School Food Authority that would adversely affect sales.
  - s) The School Food Authority shall make payment to Maschio's for the entire amount of fees, costs and expenses which Maschio's shall have incurred as the result of union organizational activities and

participation in administrative proceedings involving the unionization of personnel, which were unknown to the officers of Maschio's at the time of execution of this Addendum.

- t) The number of eligible free and reduced students will be at least equal to the number of free and reduced eligible students in the previous year.
- u) The School Food Authority agrees to reimburse the food service account for the amount of unpaid charged meals either monthly or annually.
- v) Maschio's will not be responsible for sales decrease due to allowances given the School Food Authority for students to purchase lunches off campus if that allowance was not stated in the School Food Authority's specification.
- w) Any mandated expenses by either the federal or state governments regarding employee health care costs will reduce the guarantee in the amount of the actual cost of those expenses
- x) Maschio's has not taken into account the effect of lunch meals distributed under the School Food Authority's humanitarian meal policy in establishing the guarantee. Any changes in the value of lunch distributed under such policy that would negatively affect the guarantee will result in an appropriate adjustment thereof.
- y) The cost of providing reimbursable humanitarian meals will be at no cost to the students. Humanitarian meals shall mean meals provided at no cost to students who are unable to pay the full or reduced prices for a reimbursable meal. If a reimbursable Humanitarian meal is provided, the cost of such meals either full price or reduced price shall be billed to and paid for by the School Food Authority, then the cost of providing the humanitarian meals shall be excluded from the calculation of financial results for purposes of determining achievement of the financial guarantee.
- z) Any changes in the actual sales of meals distributed under any non-pricing program implemented during the current contract term could negatively affect the guarantee which will result in an appropriate adjustment thereof. In the event the foregoing conditions are not met during the school year, Maschio's guarantee obligation shall be reduced by an amount equivalent to any increased cost of loss of revenue attributable to the changes in such conditions.
  - The School Food Authority shall pay Maschio's an annual management fee in the amount of \$17,200.00. The management fee shall be payable in monthly installments of \$1,720.00 per month commencing on September 1, 2022 and ending on June 30, 2023.
