0167 PUBLIC PARTICIPATION IN BOARD MEETINGS

The Board of Education recognizes the value of public comment on educational issues and the importance of allowing members of the public to express themselves on school matters of community interest. In order to permit the fair and orderly expression of such comment, the Board shall provide a period for public comment at every regularly scheduled meeting of the Board. Public participation shall be governed by the following rules:

1. All statements shall be directed to the presiding officer. No participant may address or question Board members individually unless directed by the presiding officer.
2. A participant must be recognized by the presiding officer and must preface comments by an announcement of his/her

name, place of residence, and group affiliation, if appropriate; Web participants will type the information in as a preface to their comments.

3. If the Board of Education is webcasting the public meeting, the "chat" feature will be on during the public comment sessions only.

4. No participant may speak more than once on the same topic unless all others who wish to speak on that topic have been heard and time permits.

Webcast participants making comments via chat may only enter one 256 character comment, excluding the announcement of his/her name and place of residence, unless the presiding officer asks for clarification or further information.
