October 16, 2019

Dear Readington Parents and Community Members,

Our strategic planning process is well underway. Our consultant, Judy Wilson, has spent two days in the district gathering feedback from Board members, staff, the HSA, and administration. She will be back on site for additional meetings later this month.

The next phase of the process includes gathering further input from Readington parents and community members. This includes two important phases of the process. First, surveys have been developed by our consultant to gather critical feedback from individuals in our school community. Your thoughts and recommendations are anonymous and critically important to the future work of the district. We strongly encourage you to take the surveys by visiting our school website at [www.readington.k12.nj.us](http://www.readington.k12.nj.us) and click on the link on our homepage. This is a digital survey and requires access to a computer and a network. If you have children in PreK-5 and in the middle school, you may choose to complete one survey or both. If you do not have a computer at home, you can access the survey in one of two ways. You may call Doreen Harris at the Readington Board of Education Offices to make an appointment to come in and use a school device to complete the survey. We also have contacted the Three Bridges Library and the Readington Township Library and provided them with the above link and instructions. You may visit either library during their operating hours to take the survey. Please complete the survey by November 4, 2019.

Second, we encourage parents and members of the community to attend one of two (2) community forums regarding the strategic planning of the district. The forums will be held on October 24, 2019. The morning forum will be from 9:00 a.m. to 10:15 a.m. and the evening forum will be from 6:30 p.m. to 7:45 p.m. Both forums will be held at the Readington Board of Education Offices, 52 Readington Road, Whitehouse Station (attached to the Holland Brook School). This forum will allow participants the opportunity to respond to prompts and provide thoughts about the district. We look forward to your participation!

Sincerely,

Laura Simon  
President, Board of Education

Jonathan Hart, Ph.D.  
Superintendent of Schools
