February 5, 2021

Dear Readington Families,

Our district continues to make preparations for expanding in-person learning according to our plan. To date, we have approximately one-third of families who have not taken our survey regarding in-person or virtual learning once we expand, therefore, we have extended the deadline through Sunday. At your earliest convenience, please log in and fill out a *Genesis* form titled *Expansion of In-Person Learning Options*. Use the link provided to read directions and fill out the form **no later than February 7: [Expansion of In-Person Learning Options](#)**. An answer of “yes” indicates you wish your child to be virtual and answer of “no” indicates you wish your child to attend 4 days/week as we expand in-person learning. There are also questions regarding transportation.

In addition, this week’s activity report displays signs of less COVID activity. To review the report, please [click here](#). Although I cannot predict when the activity report will move to yellow, it could occur sooner rather than later. Please make preparations for expanded in-person learning should the activity report move to yellow in the next few weeks.

Should you have any questions about the next phase of expanding in-person learning please review the Board presentation which can be found on our homepage or by [clicking here](#). You may also contact your building principal or my office.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Hart", with a stylized flourish at the end.

Jonathan Hart, Ph.D.
Superintendent of Schools
