## READINGTON SCHOOLS NEED YOUR VOTE FOR A NEW LOGO!

Dear Readington School Community,

We are excited to inform you that our students have developed a new district logo and we are going to ask for your help in selecting the new logo for our district.

Twelve special students engaged in this particularly important project over the course of this past spring. Inquiry learning is one of the foundational goals found in our strategic plan. It asks our school community to develop learning that is interest-driven, involving identification and analysis of real-world situations. Well, our students all agreed that the district needed a new, more updated logo. So, they embarked on a project where they designed potential new logos for the district that best fit our mission statement of, “Empowering members of our community to lead purposeful lives with integrity, to cultivate a spirit of discovery, and to embrace connections in our diverse, global society.” To that end, we have selected four final logos to be voted upon by our school community. **We are asking that all students, teachers, staff, administration, parents and community members weigh in by voting for their favorite logo to be used in the years to come.** Teachers are encouraged to set aside time to allow students to vote in class.

In order to vote for your favorite logo, please use this [Google Survey link](#). Read the brief instructions and select the logo you feel best represents us as a district and community. The survey will close on Wednesday, June 16.

Best of luck to all four finalists!

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Hart".

Jonathan Hart, Ph.D.  
Superintendent of Schools
