April 17, 2020

Dear Parents and Guardians,

In a press conference yesterday, **Governor Murphy announced that schools will remain closed and engaged in online remote instruction through at least May 15th.** We do not yet know if a longer closure will be necessary and will continue to follow instructions from the Governor's Office.

The future remains uncertain beyond May 15th. Therefore, it is important for us to continue moving through the phases of online instruction. Since our school closure began in mid-March, our approach to remote learning has moved through several phases. We began with two weeks to maintain skills, moved to introducing new content, and now we learn new ways to continue moving students through the curriculum and operate the district remotely. We will monitor and adjust, as necessary, the remote learning experience for staff and students for the next month.

Remote learning will resume on Monday, April 20th. Please enjoy the remaining days of our Spring Break to recuperate, refresh, and prepare for the final portion of this school year. We continue to remain focused on ensuring our students have a positive, productive school year despite these unusual challenges.

Sincerely,

A handwritten signature in black ink, appearing to read "Jonathan Hart".

Jonathan Hart, Ph.D.
Superintendent of Schools
