April 9, 2020

Dear Readington Families,

Recently Governor Murphy signed Executive Order 119, which extends the Public Health emergency declared on March 9, 2020 for an additional 30 days. It remains unclear what this specifically means for schools, but I anticipate we will continue remote learning into the month of May. As we do this, the district will continue to plan for the next phases of remote learning.

The NJEA, in partnership with the Department of Education, will be offering online teaching to students in grades 3-6 via NJTV. Programming will start at 9:00 a.m. daily and each grade-level will receive 1 hour of lessons. For more details, [click here](#). Spanish version, [click here](#).

This challenging time has allowed us to observe the remarkable efforts of our Readington community. Staff, students, and parents have all adapted to our “new normal” in spectacular fashion. I continue to be proud of the extraordinary efforts of our staff and students. They are embracing this new style of learning which, as a result, is requiring everyone to develop new skills. We, like the onset of spring, are growing!

As we enter into our Spring Break, take some time to rest and relax as a family. Enjoy some time outdoors or curl up with a good book. Our staff will be waiting for you (virtually) when we return on April 20.

Sincerely,

A handwritten signature in blue ink that reads "Jonathan Hart".

Jonathan Hart, Ph.D.
Superintendent of Schools
