October 22, 2021

Dear Parents and Guardians,

Communication with you and the greater Readington community is always a school district priority and objective. Our district continues to seek avenues to open lines of communication with families. Toward this effort, our district is pleased to announce a redesign of our district website that reflects who we are as a school community. This update will not only provide a clean, modern look but it will also provide clear links to accessing pertinent information (i.e. registration or school closures) and easy to use links to social media platforms. You may preview the new website by clicking on this “[sneak peek](#)” [presentation](#) provided at the October Board meeting. We plan to enhance the use of social media to disseminate updates and to post district and school happenings. You may have already seen postings from me, our schools, and individual teachers. In an effort to publicize our social media platforms, we have provided our Twitter handles and Facebook page below. These will also be directly linked on our new website using their respective logos.

Our **Twitter** handles are:

Readington Middle School @RMS_VIKINGS

Holland Brook School: @BobcatsHbs

Three Bridges School: @TBStiger

Whitehouse School: @CubsOfCharacter

District (Dr. Hart): @hartjonathanr

Our **Facebook** page is:

<https://www.facebook.com/readingtonschools>

The Three Bridges staff have also created an **Instagram** account where fun photos of events are posted, which has been shared with the Three Bridges parent community.

The upcoming transition to a new website will mean that our **website will be unavailable on Friday, October 29th**. You may get an error message when you navigate to our website, leaving you unable to access information or documents that day. We anticipate the site will be up and running before the end of the day on the 29th or early into the weekend. Please plan accordingly knowing the website will be down. In addition, this transition means that updates may be required after our new site goes live. We ask for your patience as we check each link and ensure navigation works properly once our new site is up and running.

These updates will provide our district better ways to communicate on a much more updated platform. This will also allow us to connect with our greater community, ultimately meeting our mission of empowering members of our community to lead purposeful lives with integrity, to cultivate a spirit of discovery, and to embrace connections in our diverse, global world.

Sincerely,

Jonathan Hart, Ph.D.
Superintendent of Schools
