Gaming Club Permission Slip

Please review, complete all sections, and return to:
Ms. O'Connor - Room 315 and Ms. Vail - Room 407

Join the Gaming Club to be part of a positive, fun, organized environment for students to play various types of games: tabletop games, card games, video games, etc. Playing these games will help students develop social skills and new friendships, critical and creative thinking skills, and problem solving skills. Ms. Vail and Ms. O'Connor will provide a number of previewed games to teach students how to play. Students may also bring in games that have been previewed by Ms. Vail and Ms. O'Connor.

My child, _____, has permission to participate in the after-school activity, Gaming Club. I understand that students will be under the supervision of Ms. Vail and Ms. O'Connor from 2:30 to 3:30 pm in the library on the club meeting dates (schedule to come). I will pick up my child promptly at 3:30 pm and understand that continual lateness will result in my child not being able to participate in the club. Students are also required to remain in good standing according to the RMS discipline program in order to continue attending Gaming Club throughout the year.
