

Would you like to recognize a Readington Township Teacher...

- Whose class is never dull?
- Who nurtures a love of learning in your child?
- Who arrives early and stays late to work with students?
- Who individualizes instruction, challenging and inspiring every child?

Thank our educators for their hard work and commitment to excellence! You can send a Readington Township teacher or staff member an **“Apple for Your Teacher”** certificate by making a donation to the Readington Educational Foundation. Your tax-deductible gift will help pay for innovative programming that fosters excellence, creativity and achievement in Readington Township Public Schools. Because Trustee donations cover the REF’s operating costs, 100% of your gift will go directly into school programs.

The **“Apple for Your Teacher”** program — *Applauding the Phenomenal Performance of Leading Educators* – lets teachers know how much you appreciate their efforts and benefits Readington students at the same time.
