Dear Parents/Guardians of our RMS Students:

Due to the school closing, we will be implementing online learning for students. Our top priority is to make sure that learning is still taking place with minimal disruptions.

Your children have received an email from us outlining the expectations, and we are providing you with the same information. You can still contact the teachers, the school counselors, the nurses, and the administrative team (through email) if you have any questions or concerns. The students have been directed to take home their Chromebooks, chargers and any classroom materials they will need.

Directions for online learning:

- Each day (Monday through Friday), your child will complete 3 periods of work (2 hours total). For example, on Day 1, he/she will have periods 1, 2, 3, and on day 2, he/she will have periods 4, 5, 6, etc. We will post the periods for the day on the district website to help you and your child keep organized. **This will begin Wednesday, March 18, so your child will be completing work for his/her periods 1, 2, 3 classes on that day.**
- During your child's Encore periods, he/she will receive instruction for his/her day 1 and day 2 schedule, so be sure your child visits his/her Encore teachers' Google Classroom sites. For example, if he/she has art on day 1, period 2 and financial literacy on day 2, period 2, he/she will go to Mrs. Fitzgerald's and Mr. Somma's Google Classroom for instruction.
- On days where your child has lunch/academic support, his/her School Counselor will post an SEL lesson/activity on the grade-level Google Classroom to be completed. Your child's work on this lesson will be documented on the exit ticket for that day.
- The hours of instruction are 9:00am – 11:00am, and your child's teachers will be available during that time and then from 11:00am to 12:00pm for questions/additional help. Feel free to email your child's teachers at any time.
- Counselors will also be available, through email, from 9:00am-12:00pm if you or your child need additional support.
- By the end of each day, your child should go on to the grade level Google Classroom to complete an exit ticket for attendance purposes. These will be reviewed by your child's teachers.

We know this is a very different process, but we will continue to support you and your child. We hope to welcome your children back to school as soon as possible!

Sincerely,

Mrs. Moffat and Dr. Moss
