Dear Readington Township Families,

The Readington Township School District is committed to providing resources to families needing financial assistance, which is based on the district's [free & reduced meal application](#), a form and threshold set by the federal government. Any family that qualifies for financial assistance may also at their option have access to the following resources and services:

- **Sports / clubs** – Free of charge to all students
- **Chromebooks and Insurance Fee** – Free of charge to all low-income students
- **[HSA sponsored](#) assistance** – No action required, HSA provides money to school nurses for book fairs, holiday shop, and other activities that are provided to low-income students in a confidential manner
- Upon request to the [school nurse](#), access to free or reduced pricing for:
 - **Field trips**
 - **Yearbooks**
 - **Other activities billed directly by school district**
- **Food assistance** – In addition to students obtaining free or reduced lunch and breakfast, families can access [food assistance in the summer](#) or otherwise through the:
