TERMS AND CONDITIONS

1. **Software and Services**

- 1.1. **Software.** Subject to the terms and conditions set forth in this Agreement (including any Order Forms and/or Statement of Work, as well as Customer-specific terms set forth in Exhibit B, if any), Frontline hereby grants Customer a non-exclusive, non-transferable license to use the software identified on any Order Form ("**Software**") and the technical manuals, instructions, user information, training materials, and other documentation that accompany the Software and contain its technical specifications, as may be amended from time to time ("**Documentation**") solely for internal use by end users in the ordinary course of Customer's business. Frontline shall provide any professional or other services set forth in an Order Form ("**Services**"). All rights, title and interest to the Software and any work product, deliverables or other materials provided by Frontline ("**Work Product**") are expressly reserved and retained by Frontline or its licensors, including any program or other application that is designed to integrate and be used with the Software, whether or not developed independently by Frontline, and all improvements, modifications and intellectual property rights therein. Customer shall not, and Customer shall require any end users to not (i) transfer, assign, export, or sublicense the Software or Work Product except as specifically set forth herein, or its license rights thereto, to any other person, organization or entity, including through rental, timesharing, service bureau, subscription, hosting, or outsourcing the Software (whether or not such sublicense, hosting or outsourcing is by Customer or for Customer); (ii) attempt to create any derivative version thereof; (iii) remove or modify any marking or notice on or displayed through the Software, Work Product or Documentation, including those related to Frontline's or its licensors' proprietary rights in and to the Software, Work Product or Documentation, as applicable; or (iv) de-compile, decrypt, reverse engineer, disassemble, or otherwise reduce same to human-readable form. Without limiting the foregoing, Customer may not sublicense, outsource or otherwise grant access to the Software to any third party vendor without Frontline's prior written consent, including any third party host of the Software for Customer.
- 1.2. **Order Forms.** Customer may place orders for the Software and Services by entering into a mutually agreed Order Form, which shall become a part of this Agreement and be attached hereto as Exhibit A. No other document shall be required to effect a legally binding purchase under this Agreement. Any preprinted or other terms contained on Customer's purchase order or otherwise shall be inapplicable to this Agreement, unless otherwise specifically agreed by the Parties in writing. Unless an Order Form states otherwise, each Order Form is independent of each other Order Form (but each Order Form is a part of and integral to this Agreement).
- 1.3. **Software Administrator; Maintenance Windows.** At all times, Customer must have an employee who has obtained the Software administrator certification training from Frontline and who is certified by Frontline as a Software administrator ("**Software Administrator**"). If the Software Administrator ceases to serve as such, Customer shall promptly provide written notice to Frontline and have another employee obtain Frontline Software administrator certification and be designated as a Software Administrator, at Customer's expense. Frontline shall provide Customer with assistance regarding the use of the Software during Frontline's normal business hours (EST), Monday through Friday. Such assistance shall be provided only to Customer's Software Administrator. Frontline may perform system maintenance and/or software updates periodically upon advanced notice to Customer. However, due to extenuating circumstances, Frontline may, at times, need to perform maintenance without the ability to provide advance notice.
- 1.4. **Customer Content.** The Software and Services may enable Customer and end users to provide, upload, link to, transmit, display, store, process and otherwise use text, files, images, graphics, illustrations, information, data (including Personal Data as that term is defined in applicable laws), audio, video, photographs and other content and material in any format (collectively, "**Customer Content**") in connection with the Software and Services. Customer shall have the sole responsibility for the accuracy, quality, integrity, legality, reliability, appropriateness and ownership of all of Customer Content. Frontline will act as a data processor, and will act on Customer's instruction concerning the treatment of Personal Data provided in connection with the Software and Services, as specified in the Order Form. Customer acknowledges and agrees that it must properly enter data, information and other Customer Content and configure settings within the Software in order for the Software to operate properly. Customer shall verify the accuracy of any of the Customer Content, forms, workflow and configuration settings entered on the Software. Frontline shall not have any liability arising from the inaccuracy of scoring, completeness, use of or reliance on the information contained in the extract of data from any Software or Services under this Agreement. Customer assumes the sole responsibility for the selection of the Software and Services to achieve Customer's intended results, the use of the Software and Services, and the results attained from such selection and use. Customer represents and warrants that it is the owner of the Customer Content, or has obtained permission for such use from the owner of the Customer Content, including evaluation frameworks and/or rubrics uploaded into the Software. Customer acknowledges and agrees that (a) Frontline is authorized to provide Customer Content to a specified third party or permit such third party to have access to Customer Content in connection with the Third Party Materials; and (b) Frontline does not control and is not responsible for, does not warrant, support, or make any representations regarding (i) Third Party Materials (ii) Customer Content provided in connection with such Third Party Materials, including a third party's storage, use or misuse of Customer Content; or (iii) Customer's uninterrupted access to Third Party Materials. All charges under this Agreement are exclusive of, and Customer is solely responsible for, any applicable taxes, duties, fees, and other assessments of whatever nature imposed by governmental authorities. If for any reason Frontline's personnel travel to Customer's facility or otherwise in connection with the Software or Services under this Agreement, Customer shall be responsible for the reasonable costs of transportation, lodging, meals and the like for Frontline's personnel.
