Leave granted under N.J.S.A. 34:11C-3 and Regulation 1581 - Section B. shall not conflict with any rights pursuant to the "Family Leave Act," the "Temporary Disability Benefits Law," N.J.S.A. 43:21-25 et al, or the Federal "Family and Medical Leave Act of 1993."

- c. Prior to taking the leave provided for in N.J.S.A. 34:11C-3 and Regulation 1581 - Section B.3.a., an employee shall, if the necessity for the leave is foreseeable, provide the employer with written notice of the need for the leave, unless an emergency or other unforeseen circumstance precludes prior notice. ## 8210 SCHOOL YEAR

The Board of Education recognizes that the preparation of a school calendar is essential to orderly educational planning and to the efficient operation of the school district.

The Board shall annually approve the days when the schools will be in session for instructional purposes. The school calendar will provide no fewer than one hundred eighty days of instruction in accordance with N.J.S.A. 18A:7F-9. Days on which school is closed for holidays, teachers' institutes, and inclement weather shall not be considered as days in session.

A half-day class or shortened school day shall be considered the equivalent of a full day only if school is in session for four or more hours, exclusive of recess periods or lunch periods.

A school day shall consist of not less than four hours, except that one continuous session of two and one-half hours may be considered a full day for Kindergarten in accordance with N.J.A.C. 6A:32-8.3(b). An approved Kindergarten shall meet the requirements set forth in N.J.A.C. 6A:32-8.3(c).

The Commissioner of Education shall annually prescribe a list of religious holidays on which it shall be mandatory to excuse students for religious observance upon the written request signed by the parent or person standing in loco parentis. Staff members shall avoid, whenever possible, scheduling a test on a religious holiday commonly observed by residents of the district.

## 8220 SCHOOL DAY

The Board of Education shall annually approve the times that school(s) will be in session, including the starting and ending time of a shortened day. A school day shall be in accordance with N.J.A.C. 6A:32-8.3.

The schools of the district will be in session for students on those days and times recommended by the Superintendent and annually approved by the Board.

The Superintendent may close school, delay the opening of school, or dismiss school early when such alteration in the regular session is required for the protection of the health and safety of students and staff members or other good cause. A shortened school day, whether it is planned or emergent (as in the case of inclement weather), must meet certain requirements in order to count toward the one hundred eighty day requirement of N.J.S.A. 18A:7F-9.

The Superintendent shall inform the Board President of any such alteration as soon as possible and shall prepare rules for the proper and timely notification of concerned persons in the event of any delayed opening or emergency school closing.

### Reporting Potentially Missing or Abused Children

The person having reason to believe that a child may be missing or may have been abused or neglected may inform the Principal or other designated school official(s) prior to notifying designated child welfare authorities if the action will not delay immediate notification. The person notifying designated child welfare authorities shall inform the Principal or other designated school official(s) of the notification, if such had not occurred prior to the notification. Notice to the Principal or other designated school official(s) need not be given when the person believes that such notice would likely endanger the reporter or student involved or when the person believes that such disclosure would likely result in retaliation against the student or in discrimination against the reporter with respect to his or her employment.

The Principal or other designated school official(s) upon being notified by a person having reason to believe that a child may be missing or may have been abused or neglected, must notify appropriate law enforcement authorities. Notification to appropriate law enforcement authorities shall be made for all reports by employees, volunteers, or interns working in the school district. Confirmation by another person is not required for a school district employee, volunteer, or intern to report the suspected missing, abused, or neglected child situation.

School district officials will cooperate with designated child welfare and law enforcement authorities in all investigations of potentially missing, abused, or neglected children in accordance with the provisions of N.J.A.C. 6A:16-11.1(a)5.

The district designates the Director of Pupil Services as the school district's liaison to designated child welfare authorities to act as the primary contact person between the school district and child welfare authorities with regard to general information sharing and the development of mutual training and other cooperative efforts.
