2610 EDUCATIONAL PROGRAM EVALUATION

The Board of Education directs the Superintendent to develop and implement a systematic plan for the continuous evaluation of the educational program against the educational goals established by this Board. ~~To this end, the Superintendent shall employ such tests and methods~~ **that will ensure decision making is data driven and a variety of sources of data are used to analyze and monitor student achievement and progress, as well as evaluate school programs as may be indicated by sound professional judgment.** Wherever possible, the assessment program shall follow evaluation procedures set forth in the course guides.

The Superintendent shall maintain a calendar of assessment activities and shall make periodic evaluation reports to the Board ~~during the school year. Findings of the assessment program,~~ **that** evaluate the progress of students and the effectiveness of staff members. **The Superintendent shall use multiple (more than two) sources of data to monitor student achievement and the progress of students. The Superintendent shall also use multiple (more than two) sources of data to evaluate the effectiveness of programs, initiatives, and strategies.**

The Board will annually make available to the public the collective progress of students toward the goals of the district. The Board will annually, prior to the end of the school year and in conjunction with appropriate members of the administrative staff, conduct a review of the educational progress of the district, assess district and student needs, and establish long range and short range objectives for the educational program. The Board's annual report will be submitted to the Commissioner of Education as required.

The Superintendent shall annually recommend improvements in the educational program based on the Board's evaluation of the district's program. The Board reserves the right to employ experts from outside the school district to serve in the evaluation process.

5337 SERVICE ANIMALS

In compliance with Title II of the Americans with Disabilities Act (ADA) as amended by the ADA Amendments Act of 2008, it is the Policy of the Board to permit use of a service animal by an individual with a disability in all areas of the district where the public is normally permitted: in district buildings; on district property; and on vehicles owned, leased, or controlled by the district. (28 CFR §35.136)

A. Definitions

1. “Act” means the Americans with Disabilities Act (ADA) as amended by the ADA Amendments Act of 2008.
2. “Designated administrator” means Principal or person designated by the Principal to coordinate these activities.
3. “District” means this school district.
4. “Handler” means the animal’s owner **who is an individual with a disability** or a person, such as a trainer, assisting the owner with control of the service animal.
5. “Service animal” means a dog individually trained to do work or perform a specific job or task for the benefit of an individual with a disability, including a physical, sensory, psychiatric, intellectual, or other mental disability. (28 CFR §36.104)
 - a. Other species of animals, whether wild or domestic, trained or untrained, are not service animals for the purposes of this definition.
 - b. The work or tasks performed by a service animal must be directly related to the individual’s disability (e.g. navigation, alerting physical support and assistance, preventing or interrupting impulsive or destructive behaviors).

POLICY GUIDE

- c. Work or tasks for the purposes of this definition do not include the provision of emotional support, well-being, comfort, therapy, companionship, or crime deterrence.

B. Generally

1. The district shall permit the use of a service animal by an individual with a disability unless:
 - a. The animal is out of control and the animal's handler does not take effective action to control it;
 - b. The animal is not housebroken.
2. A service animal shall have a harness, leash, or other tether, unless either the handler is unable because of a disability to use a harness, leash, or other tether, or the use of a harness, leash, or other tether would interfere with the service animal's safe, effective performance of work or tasks, in which case the service animal must be otherwise under the handler's control (e.g. voice control, signals, or other effective means). (28 CFR §35.136(d))
3. If an animal is properly excluded, the district shall give the individual with a disability the opportunity to participate in the service, program, or activity without having the service animal on the premises. (28 CFR §35.136(b))
4. If there are places in the district where it is determined to be unsafe for a handler and service animal, reasonable accommodations will be provided to assure the individual **with a disability has** equal access to the activity.
5. Unless the need for a service animal is readily apparent, the **individual with a disability or his/her parent handler** will be required to provide the district with information that:
 - a. The service animal is required because of a disability; and
 - b. What work or task the animal has been trained to perform.

POLICY GUIDE

STUDENTS
5337/page 3 of 5
Service Animals

6. The district may not require documentation, including proof that the animal has been certified, trained, or licensed as a service animal; nor that the dog demonstrates its ability to perform the work or task. (28 CFR §35.136(f))
7. Individuals **with a disability** who have service animals are not exempt from local animal control or public health requirements.
8. Service animals must be licensed and registered in accordance with State and local laws.

C. Delegation of Responsibility

1. The district is not responsible for the care or supervision of a service animal, **in accordance with** ~~-(28 CFR §35.136(e)).~~
 - a. **The district is not responsible for toileting, feeding, grooming, or veterinary care of a service animal.**
 - b. **The district is not responsible to pay for or provide a handler to aid the individual with a disability in the control of the service animal.**
 - c. **The district is responsible to provide assistance to an individual with a disability in performing the tasks required of the individual for the care and maintenance of the service animal.**
2. If the district normally charges individuals for damage they cause, an individual with a disability may be charged for damage caused by his or her service animal. (28 CFR §35.136(h))
3. The district will designate relief areas for the service animal which will be included in mobility training and orientation of students and animals new to the school.

D. Notification and Responsibilities

1. In the event a service animal will be introduced as part of the school community, the designated administrator will develop a

POLICY GUIDE

comprehensive implementation plan prior to introduction of the service animal into the school to include:

- a. Notification to parents of students who may be in contact with the service animal;
- b. **Appropriate accommodations: for any student, faculty member, or other person who is allergic to the service animal or fearful of the service animal. The district shall accommodate both the individual with a disability and the person who is allergic to or fearful of the service animal by assigning them, if possible, to different locations within the room or the school building.**
 - ~~(1) For students who are allergic to the service animal; and/or~~
 - ~~(2) For students who have fears regarding the service animal.~~
- cb. Appropriate etiquette regarding service animals to include:
 - (1) Never pet a service animal while it is working;
 - (2) Never feed a working service animal;
 - (3) Do not deliberately startle, tease, or taunt a service animal;
 - (4) Do not hesitate to ask the handler if he or she would like assistance regarding directions **for navigating** or the facility.
2. The use of a service animal introduced as part of the school community will require inclusion into the student's Individualized Education Plan (IEP) or the student's Section 504 Accommodation Plan.
3. ~~The district may will require request, but cannot require, that the owner of a service animal introduced as part of the school community and, as included in the student's IEP or Section 504~~

POLICY GUIDE

~~Accommodation Plan, maintain liability insurance for the service animal in the amount required by the Board of Education.~~ **The School Business Administrator/Board Secretary will ensure the school district has appropriate liability insurance in the event a service animal is introduced as part of the school community.**

E. Miniature Horses

1. Miniature horses, although not included in the Act under the definition of “service animal,” may only be permitted if individually trained to do work or perform tasks for the benefit of the individual with a disability and if they meet the assessment factors outlined in 3. below. (28 CFR §35.136(i))
2. Ponies and full size horses are not considered miniature horses.
3. Assessment factors to determine whether the district can reasonably modify its policies, practices, and procedures to allow for the use of miniature horses on its property, facilities, or vehicles include:
 - a. Type, size, and weight of the miniature horse and whether the facility can accommodate those features;
 - b. Whether the handler has sufficient control of the miniature horse;
 - c. Whether the miniature horse is housebroken; and
 - d. Whether the miniature horse’s presence compromises legitimate safety requirements necessary for safe operation.
4. All requirements for the use of service animals also apply to the use of miniature horses.

7440 SCHOOL DISTRICT SECURITY

The Board of Education believes the buildings and facilities of the school district represent a substantial community investment. The Board directs the development and implementation of a plan for school district security to protect the school community's investment in the school buildings and facilities.

The school district security program will include: maintenance of facilities that are secure against unwelcome intrusion; protection against fire hazards and faulty equipment; and compliance with safe practices in the use of electrical, plumbing, heating, and other school building equipment. The Board directs close cooperation of district officials with law enforcement, fire officials, and other emergency agencies.

The Superintendent of Schools shall designate a school administrator, **or a school employee with expertise in school safety and security**, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3. The School Safety Specialist shall be required to acquire a New Jersey Department of Education School Safety Specialist certification in accordance with the provisions of N.J.S.A. 18A:17-43.2. The School Safety Specialist shall also serve as the school district's liaison with local law enforcement and national, State, and community agencies and organizations in matters of school safety and security.

Access to school buildings and grounds outside the hours school is in session shall be limited to personnel whose employment requires their presence in the facility. An adequate key control system will be established to limit building access to authorized personnel and guard against the potential of intrusion by unauthorized persons who have obtained access improperly.

Building records and funds shall be kept in a safe place and secured as appropriate and necessary.

A. Definitions

“Access” means authorized access to a school building or school grounds through the use of a Board-approved key control system.

“Key control system” means the use of a key, card, code, or any other means to disengage a locking mechanism to provide entry to a school building or school grounds.

“School buildings” and “school grounds” means and includes land, portions of land, structures, buildings, and vehicles, when used for the provision of academic or extracurricular programs sponsored by the **school** district or community provider and structures that support these buildings, such as school **district** wastewater treatment facilities, generating facilities, and other central service facilities including, but not limited to, kitchens and maintenance shops. “School buildings” and “school grounds” also includes athletic stadiums; swimming pools; any associated structures or related equipment tied to such facilities including, but not limited to, grandstands; night field lights; greenhouses; garages; facilities used for non-instructional or non-educational purposes; and any structure, building, or facility used solely for school administration. “School buildings” and “school grounds” also includes other facilities such as playgrounds; and other recreational places owned by local municipalities, private entities, or other individuals during those times when the school district has exclusive use of a portion of such land in accordance with N.J.A.C. 6A:16-1.3 and 6A:26-1.2.

B. Access to School Buildings and School Grounds

1. Access to school buildings and grounds during the school day will be permitted to all students enrolled in the school, all authorized school staff members, and visitors pursuant to Policy and Regulation 9150.
2. Access to school buildings and grounds before and after the school day will be permitted to:
 - a. Members of the Board of Education;

- b. Administrative and supervisory staff members, teaching staff members, and support staff members assigned to a school building or grounds in the performance of their duties;
 - c. Other school staff members in the performance of their professional responsibilities;
 - d. Students involved in interscholastic athletics, co-curricular or extra-curricular activities, and authorized spectators;
 - e. Members of organizations granted the use of school premises pursuant to Policy and Regulation 7510;
 - f. Police officers, fire fighters, health inspectors, and other agents of Federal, State, and local government in the performance of their official duties;
 - g. Members of the public present to attend a public Board of Education or public school-related function; and
 - h. Others authorized by the Superintendent or designee and/or by Board Policy.
3. All visitors to a school building during a school day will be required to register their presence in the school and comply with the provisions of Policy and Regulation 9150. The school's registration and sign-in procedures may include the use of a school visitor management system requiring the visitor to present acceptable identification to access the school building.
4. Signs will be conspicuously posted to inform visitors of the requirement to register their presence into the building.
- C. Key Control System for Access to School Buildings and Facilities
1. School staff members will be provided access to a school building using the school's key control system as follows:
- a. Teaching staff members and support staff members will be provided access using the school's key control system to the school building and to other facilities on school grounds to which they require access for the performance of their professional duties.

- (1) The Building Principal will determine the school staff members who shall be provided access to facilities within the school building and on school grounds.
 - (2) The Superintendent or designee will determine the district administrators, supervisors, and other staff members who shall be provided access to facilities within the school building and on school grounds.
 2. School staff members provided access to a school building or other facilities on school grounds shall be responsible for ensuring their key control system authorization is not shared with another individual without prior approval of the Principal or designee for school staff members, or the Superintendent or designee for district staff members. Staff members are prohibited from permitting their key control system authorization to be used by another person unless prior approval is obtained from the Principal or designee at the building level and Superintendent or designee at the district level or in the event of an emergency.
 3. A staff member's loss of a key, card, or any other device authorizing the staff member access to a school building or a facility on school grounds must be immediately reported to the Principal or Superintendent or designee. The staff member who loses a key, card, or any such access device may be responsible for the replacement cost.
- D. Staff Member Responsibilities
1. Staff members should not bring to school valuable personal items that cannot be in the staff member's personal possession at all times. The Board of Education is not responsible for a staff member's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed.
 2. In the event a staff member observes a student has a valuable item in school, the staff member will report it to the Principal or designee. A valuable item may include, but is not limited to, an unusually large amount of money, expensive jewelry or electronic equipment, or any item that is determined by the Principal or designee to be valuable to a student based on the student's age.

- a. The Principal or designee may contact the student's parent and request the parent come to school to retrieve the valuable item;
 - b. The Principal or designee may secure the valuable item and return it to the student at the end of the school day and inform the student and the parent not to bring the valuable item to school in the future; or
 - c. The Principal or designee will permit the student to maintain the valuable item and inform the student and the parent not to bring the valuable item to school in the future.
 - d. The Board of Education is not responsible for a student's personal possession in the event the item is lost, stolen, misplaced, damaged, or destroyed when in the possession of the student.
3. Teaching staff members shall close classroom windows and shut and lock classroom doors when leaving at the end of the school day; shut and lock classroom doors during the school day when the room is not going to be in use after their assignment, and report immediately to the Principal or designee any evidence of tampering or theft.
 4. Custodians shall, at the end of the work day, conduct a security check of the building to make certain that all windows are closed and all office, classroom, and building doors are shut and locked, except as such doors may be required to be open for persons with access.
 5. Office personnel shall take all reasonable precautions to ensure the security of all school and district records and documents against unauthorized access, deterioration, and destruction.
- E. School Safety Specialist
1. The Superintendent of Schools shall designate a school administrator, **or a school employee with expertise in school safety and security**, as a School Safety Specialist for the district in accordance with the provisions of N.J.S.A. 18A:17-43.3.

[See POLICY ALERT Nos. 215, 216 and 217]

[SCHOOL DISTRICTS NOT PARTICIPATING IN A UNITED STATES DEPARTMENT OF AGRICULTURE'S (USDA) SCHOOL NUTRITION PROGRAMS ARE NOT REQUIRED TO ADOPT POLICY 8561.]

8561 PROCUREMENT PROCEDURES FOR SCHOOL NUTRITION PROGRAMS

The Board of Education adopts this Policy to identify their procurement plan for the United States Department of Agriculture's (USDA) School Nutrition Programs. School Nutrition Programs include, but are not limited to: the National School Lunch Program (NSLP); School Breakfast Program (SBP); Afterschool Snack Program (ASP); Special Milk Program (SMP); Fresh Fruit and Vegetable Program (FFVP); Seamless Summer Option (SSO) of the NSLP; Summer Food Service Program (SFSP); the At-Risk Afterschool Meals component of the Child and Adult Care Food Program (CACFP); and the Schools/Child Nutrition USDA Foods Program.

The Board of Education is ultimately responsible for ensuring all procurement procedures for any purchases by the Board of Education and/or a food service management company (FSMC) comply with all Federal regulations, including but not limited to: 7 CFR Parts 210, 220, 225, 226, 245, 250; 2 CFR 200; State procurement statutes and administrative codes and regulations; local Board of Education procurement policies; and any other applicable State and local laws. ~~FSMC's billing invoices will be monitored to ensure compliance with Federal and State procurement regulations and will comply with any additional monitoring requirements as outlined in the approved FSMC Contract.~~

The procurement procedures contained in this Policy will be implemented beginning immediately, until amended. All procurements must maximize full and open competition. Source documentation will be maintained by the School Business Administrator/Board Secretary or designee and will be available to determine open competition, the reasonableness, the allowability, and the allocation of costs.

The Board of Education intentionally seeks to prohibit conflicts of interest in all procurement of goods and services.

Procurement Procedures for School Nutrition Programs

A. General Procurement

The procurement procedures will maximize full and open competition, transparency in transactions, comparability, and documentation of all procurement activities. The school district's plan for procuring items for use in the School Nutrition Programs is as follows:

1. The School Business Administrator/Board Secretary will ensure all purchases will be in accordance with the Federal Funds Procurement Method Selection Chart – State Agency Form #358 - Appendix. Formal procurement procedures will be used as required by 2 CFR 200.318 **through** .326 and any State and local procurement code and regulations. Informal procurement procedures (small purchase) will be required for purchases under the most restrictive small purchase threshold.
2. The following procedures will be used for all purchases: **Refer to appendix for specific procedures.**

Product/ Services	Estimated Dollar Amount	Procurement Method	Evaluation	Contract Award Type	Contract Duration/ Frequency

Micro-Purchases (2 CFR 200.67):

Non-Public Schools Only - Purchases of supplies or services, within the micro-purchase threshold (the aggregate amount does not exceed **the Federal micro-purchase threshold as set by 48 CFR 2.101 \$3,500 as defined by 2 CFR 200.67**) will be awarded without soliciting competitive price quotations if the price is reasonable. Purchases will be distributed equitably among qualified

POLICY GUIDE

suppliers with reasonable prices. Records will be kept for micro-purchases.

OPERATIONS

8561/page 3 of 16

3. Formal bid procedures will be applied on the basis of:

[Choose one or more of the following:

- ☒ centralized system;
☒ individual school;
☐ multi-school system; and/or
☐ State contract.]

4. Because of the potential for purchasing more than ~~the~~ public or non-public informal/small purchase threshold amount, or the Board approved threshold if less, it will be the responsibility of the School Business Administrator/Board Secretary to document the amounts to be purchased so the correct method of procurement will be followed.

B. Formal Procurement

When a formal procurement method is required, the following competitive sealed bid or an Invitation for Bid (IFB) or competitive proposal in the form of a Request for Proposal (RFP) procedures will apply:

1. An announcement of an IFB or a RFP will be placed in the Board designated official newspaper to publicize the intent of the Board of Education to purchase needed items. The advertisement for bids/proposals or legal notice will be published in the official newspaper for at least one day in accordance with the provisions of N.J.S.A. 18A:18A-21.
2. An advertisement in the official newspaper for at least one day is required for all purchases over the school district's small purchase threshold as outlined in Appendix – Federal Funds Procurement Method Section Chart. The advertisement will contain the following:
 - a. A general description of items to be purchased;

POLICY GUIDE

- b. The deadline for submission of questions and the date written responses will be provided, including addenda to bid specifications, terms, and conditions as needed;

6. If any potential vendor is in doubt as to the true meaning of specifications or purchase conditions, interpretation will be provided in writing to all potential bidders by the School Business Administrator/Board Secretary or designee and will specify the deadline for all questions.
 - a. The School Business Administrator/Board Secretary will be responsible for securing all bids or proposals.
 - b. The School Business Administrator/Board Secretary will be responsible to ensure all Board of Education procurements are conducted in compliance with applicable Federal, State, and local procurement regulations.
 - c. The following criteria will be used in awarding contracts as a result of bids/proposals. Price must be the highest weighted criteria. Examples of other possible criteria include quality, service, delivery, and availability.
7. In awarding a RFP, a set of award criteria in the form of a weighted evaluation sheet will be provided to each bidder in the initial bid document materials. Price alone is not the sole basis for award, but remains the primary consideration among all factors when awarding a contract. Following evaluation and negotiations, a firm fixed price or cost reimbursable contract is awarded.
 - a. The contracts will be awarded to the responsible bidder/proposer whose bid or proposal is responsive to the invitation and is most advantageous to the Board of Education, price as the primary, and other factors considered. Any and all bids or proposals may be rejected in accordance with the law.

I. Code of Conduct for Procurement

1. All procurements must ensure there is open and free competition and adhere to the most restrictive Federal, State, and local requirements. The Board of Education seeks to conduct all procurement procedures in compliance with stated regulations and to prohibit conflicts of interest and actions of employees engaged in the selection, award, and administration of contracts. All procurements will be in accordance with this Policy and all applicable provisions of N.J.S.A. 18A:18A – Public School Contracts Law.
2. No employee, officer, or agent may participate in the selection, award, or administration of a contract supported by a Federal, State, or local award if he or she has a real or apparent conflict of interest. Such a conflict of interest would arise when the employee, officer, or agent; any member of his or her immediate family, his or her partner; or an organization which employs or is about to employ any of the parties indicated herein has a financial or other interest in or a tangible personal benefit from a firm considered for a contract.
3. The officers, employees, and agents of the non-Federal entity may neither solicit nor accept gratuities, favors, or anything of monetary value from contractors or parties to subcontracts. However, non-Federal entities may set standards for situations in which the financial interest is not substantial or the gift is an unsolicited item of nominal value.
4. The standards of conduct must provide for disciplinary actions to be applied for violations of such standards by officers, employees, or agents of the non-Federal entity. Based on the severity of the infraction, the penalties could include a written reprimand to their personnel file, a suspension with or without pay, or termination.

POLICY GUIDE

5. All questions and concerns regarding procurement solicitations, contract evaluations, and contract award, shall be directed to the School Business Administrator/Board Secretary.

8860 MEMORIALS

The Board of Education recognizes that each officer and employee of this district is important ~~not only~~ to the school district **and** ~~but to~~ the community at large. The loss of any officer or employee of this Board by death is a loss that the Board and the school district **will** share with the community **and memorialize in an appropriate manner.**

~~In order to memorialize that loss in a fitting manner, the Board directs that, whenever notice is received of the death of a Board member or a person employed by the Board, the flag of the United States at each school district building shall be flown at half mast for one school day. Written notice shall be posted in an appropriate manner in each district building on that day in order that students, staff members, and visitors are informed of the purpose of the memorialization.~~

~~The Superintendent may, in his/her discretion, grant an employee of this district a brief absence without loss of pay or personal leave for the purpose of attending the funeral of his/her direct supervisor or subordinate provided that no disruption in the educational program will be caused by any such absence.~~

The Superintendent shall recommend to the Board and the Board may approve appropriate recognition measures ~~beyond those provided for in this policy~~ when the deceased Board officer or employee has, ~~by length of service or extraordinary accomplishment,~~ especially distinguished his/her service to this school district.

The Superintendent may, in his/her discretion, grant an employee of the school district a brief absence without loss of pay or personal leave for the purpose of attending the funeral of his/her direct supervisor or subordinate provided that no disruption in the educational program will be caused by any such absence.
