The Board of Education requires all students to participate in a comprehensive, sequential, health and physical education program aligned with the New Jersey Student Learning Standards (NJSLS) that emphasizes the natural interdisciplinary connection between wellness and health and physical education. The primary focus of the NJSLS is the development of knowledge and skills that influence healthy behaviors within the context of self, family, school, and the local and global community.

The NJSLS incorporate New Jersey statutes related to health and well-being of students in New Jersey schools. The following statutes incorporated into the NJSLS include, but are not limited to, the following requirements:

8. Health, Safety, and Physical Education (N.J.S.A. 18A:35) requires that all students in grades one through twelve participate in at least two and one-half hours of health, safety, and physical education each school week.

10. Lyme Disease Prevention (N.J.S.A. 18A:35-5.1 through 5.3) requires the development of Lyme Disease curriculum guidelines and training to all teaching staff members who instruct students with Lyme Disease.

15. Other Statutory or Administrative Codes. The Board will incorporate into its health and physical education curriculum any other requirements of the NJSLS in Comprehensive Health and Physical Education.
In accordance with the provisions of N.J.S.A. 18A:35-4.7, any student whose parent presents to the Principal a signed statement that any part of the instruction in health, family life education, or sex education is in conflict with his/her conscience or sincerely held moral or religious beliefs shall be excused from that portion of the course where such instruction is being given and no penalties as to credit or graduation shall result.

The Board of Education must provide two and one-half hours of health, safety, and physical education courses in each school week, or proportionately less when holidays fall within the week. Recess period(s) shall not be used to meet the requirements of N.J.S.A. 18A:35-5, 7, and 8.

In accordance with N.J.S.A. 18A:35-4.31, the Board of Education shall provide a daily recess period of at least twenty minutes for students in grades Kindergarten through five. A recess period is not required on a school day in which the day is substantially shortened due to a delayed opening or early dismissal. The recess period shall be outdoors, if feasible. A student shall not be denied recess for any reason, except as a consequence of a violation of the school district’s Code of Student Conduct, including a harassment, intimidation, or bullying (HIB) investigation pursuant to N.J.S.A.18A:37-13 et seq. Students may not be denied recess more than twice per week for a violation of the Code of Student Conduct or HIB investigation and these students shall be provided restorative justice activities during the recess period. Restorative justice activities mean activities designed to improve the socioemotional and behavioral responses of students through the use of more appropriate and less punitive interventions thereby establishing a more supportive and inclusive school culture. The student’s recess period should be scheduled in a manner that does not interfere with the implementation of a student’s Individualized Education Program (IEP). School staff may deny recess for a student on the advice of a medical professional, school nurse, or the provisions of a student’s IEP and/or 504 Plan.

A copy of the NJSLS for Comprehensive Health and Physical Education and all related curriculum/course guides and instructional material shall be available for public inspection in each school.

Adopted: March 26, 2019
The Board of Education is committed to a safe, efficient, alcohol and drug-free workplace, that protects the district’s students as well as the health and safety of its employees and the general public. The Board requires all employees of the Board performing any safety-sensitive function to be free of drugs and alcohol and will test those employees who operate a commercial motor vehicle in accordance with 49 CFR 382 et seq. and 49 CFR 40 et seq. For the purpose of this Policy “employee” means a person required to have a Commercial Driver’s License (CDL) in the performance of their job responsibilities. Safety-sensitive functions as defined by 49 CFR 382.107 means any time from the time an employee begins to work or is required to be in readiness to work until the time the employee is relieved from work and all responsibility for performing work. Safety-sensitive functions shall include:

1. All time at the terminal, facility, other property, or on any public property, waiting to be dispatched, unless relieved from duty;

2. All time inspecting equipment as required by Federal law or otherwise inspecting, servicing, or conditioning any commercial motor vehicle, at any time;

3. All time spent at the driving controls of a commercial motor vehicle in operation;

6. All time repairing, obtaining assistance, or remaining in attendance upon a disabled vehicle.
The Omnibus Transportation Employee Testing Act of 1991 requires all operators of commercial motor vehicles subject to the CDL requirements to be tested for controlled substances and alcohol. Federal regulations of the U.S. Department of Transportation require that any employee using a CDL be required to submit to alcohol and controlled substance testing in accordance with 49 CFR 40.

The Board designates the Supervisor of Transportation as the Designated Employer Representative (DER) of the Board of Education. The Board may contract with a service agent to provide the testing services as required by Federal law. In the event the Board contracts with a service provider for transportation, the Board designee will ensure all transportation contractors comply with the drug and alcohol testing requirements of Policy 4219 pursuant to 49 CFR 382 et seq. and 49 CFR 40 et seq.

No employee at any work site will possess, manufacture, use, sell, or distribute any quantity of any controlled substance, lawful or unlawful, which in sufficient quantity could result in impaired performance, with the exception of substances administered by or under the instructions of a physician. No employee shall perform safety-sensitive functions within four hours after using alcohol and the district will not permit an employee that used alcohol within four hours of performing safety-sensitive functions to perform such functions if the district has actual knowledge of the use, in accordance with 49 CFR 392.5.

Violations

Any violation of this Policy may result in discipline, up to and including termination.

Prohibited Substances

The presence of any of the controlled substances, listed in 49 CFR 40.87, in the body, as evidenced by the results of the initial screening and subsequent confirmatory analysis provided in this Policy, is prohibited for any employee assigned to a classification covered by this Policy. All cutoff concentrations shall be in accordance with 49 CFR 40.87. All test results shall be measured against the cutoff concentrations outlined in 49 CFR 40.87.

Categories of Testing

For the purpose of this Policy, the occurrence of the following circumstances/instances shall require an employee to submit to a controlled substance and alcohol screening:

1. Pre-Employment Testing

An individual who has applied for and has been selected to operate a Board vehicle shall, before beginning employment with the Board, submit to a controlled substance screening in conjunction with any required physical examination as per Policy 4160. Such screening shall be conducted in accordance with the procedures set forth in this Policy and 49 CFR 40. No individual receiving a positive confirmed test result will be employed by the Board.
An employer is not required to administer a controlled substances test required by 49 CFR 382.301(a) if:

a. The employee has participated in a controlled substances testing program that met the requirements of 49 CFR 382 et seq. within the previous thirty days; and

b. The employee while participating in that program either:

   (1) Was tested for controlled substances within the past six months (from the date of application with the employer); or

   (2) Participated in the random controlled substances testing program for the previous twelve months (from the date of application with the employer.

c. The DER must ensure that no prior employer, to the DER’s knowledge, has records of a violation of a controlled substances testing program within the previous six months.

If an individual is so exempted, the DER shall contact the controlled substances testing programs in which the individual participated and shall obtain and retain from the testing program(s) the following information in accordance with 49 CFR 382.301(c):

a. Name and address of the program;

b. Verification of the individual’s participation;

c. Verification that the program conforms to Federal guidelines;

f. The results of any tests taken within the previous six months and any other violations.
An employee who has applied for and has been selected to operate a Board vehicle or any existing employee transferring into a new position requiring the employee to operate a Board vehicle, shall submit a written consent authorizing the Board to obtain the following information from other employers who have employed the employee during any period during the two years before the date of the employee’s application or transfer into the new position. The written consent from the employee will permit the DER to obtain the following information from previous Division of Transportation (DOT)-regulated employers:

a. Alcohol tests with a result of 0.04 or higher alcohol concentration;

b. Verified positive drug tests;

c. Refusals to be tested (including verified adulterated or substituted drug test results);

d. Other violations of DOT agency drug and alcohol testing regulations; and

e. With respect to any employee who violated a DOT drug and alcohol regulation, documentation of the employee’s successful completion of DOT return-to-duty requirements (including follow-up tests). If this information is not available from the previous employer, the DER must seek to obtain this information from the employee.

The DER will obtain and review this information before the employee first performs safety-sensitive functions. If this is not feasible, the DER will not permit the employee to perform safety-sensitive functions after thirty days from the date the employee first performed safety-sensitive functions, unless the DER has obtained or made and documented a good faith effort to obtain this information.
2. Random Testing

Every employee shall submit to random alcohol and controlled substance testing on an unannounced and random basis resulting from the selection by a random generation methodology in accordance with 49 CFR 383.305(i). Random testing will be spread reasonably throughout any given calendar year.

The minimum annual percentage rate for random alcohol testing shall be ten percent of the average number of driver positions. The minimum annual percentage rate for random controlled substances testing shall be twenty-five percent of the average number of driver positions. The minimum annual percentage rates may be adjusted as determined by the FMCSA Administrator in accordance with 49 CFR 382.305.

Employees shall only be random tested when performing safety-sensitive functions or immediately prior to or immediately following the performance of safety-sensitive functions.

3. Post-Accident Testing

The involvement by an employee in a motor vehicle collision while operating a Board vehicle when such accident results in property damage or personal injury, may trigger a post-accident drug and alcohol test.

As soon as practical following an occurrence, the DER will require post-accident alcohol screening for each of the surviving drivers:

a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or

b. Who receives a citation within eight hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:

(2) One or more motor vehicles incurring disabling damage as a result of the accident, requiring the motor vehicle to be transported away from the scene by a tow truck or other motor vehicle.

c. If the alcohol test is not administered within two hours following the accident, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the accident, the DER shall cease attempts to administer the alcohol test and shall prepare and maintain the same record. Records shall be submitted to the FMCSA upon request.

As soon as possible following an occurrence, the district will require post-accident controlled substance screening for each of the surviving drivers:

a. Who was performing safety-sensitive functions with respect to a vehicle, if the accident involves the loss of human life; or

b. Who receives a citation within thirty-two hours of the occurrence under State or local law for a moving traffic violation arising from the accident, if the accident involved:

c. If the controlled substance test is not administered within thirty-two hours following the accident, the DER shall cease attempts to administer the controlled substance test and shall prepare and maintain on file a record stating the reasons the test was not promptly administered. Records shall be submitted to the FMCSA upon request.

An employee who is subject to post-accident testing shall remain readily available for such testing or may be deemed by the employer to have refused to submit for testing. (An employee who is injured in an accident and requires medical care, shall submit to post-accident drug and controlled substance testing by the medical care facility providing the treatment or a designee of the Board if the facility is unable to provide the testing.) Nothing herein shall be construed to prevent the employee from leaving the scene of the accident for the period required to obtain necessary assistance or to obtain emergency medical care.

4. Reasonable Suspicion Testing

The DER shall require an employee to submit to an alcohol and/or controlled substance test when the employee is observed by a supervisor or school official who is trained in accordance with 49 CFR 382.603 and causes the observer to have reasonable suspicion to believe the employee has violated 49 CFR 382 et seq. Reasonable suspicion must exist to require the employee to undergo a test and must be based on specific, contemporaneous, articulable observations concerning the appearance, behavior, speech or body odors of the employee. The observations may include indications of the chronic and withdrawal effects of controlled substances.

Reasonable suspicion alcohol testing is authorized only if the required observations are made during, just preceding, or just after the period of the work day the employee is required to be in compliance with the testing requirements of 49 CFR 382 et seq.
Reasonable suspicion testing may be required of an employee while the employee is performing, just before the employee will perform, or just after the employee has ceased performing safety-sensitive functions.

If the alcohol test is not administered within two hours following the determination a reasonable suspicion test is required, the DER will prepare and maintain on file a record stating the reasons the test was not promptly administered. If the alcohol test is not administered within eight hours following the determination, the DER shall cease attempts to administer the alcohol test and shall state in the record the reasons for not administering the test.

No employee shall report for duty or remain on duty requiring the performance of safety-sensitive functions while the employee is under the influence of or impaired by alcohol, as shown by the behavioral, speech, and performance indicators of alcohol misuse. The employee will also not be able to perform or continue to perform safety-sensitive functions until an alcohol test is administered and the employee’s concentration measures less than 0.02 or twenty-four hours have elapsed following the determination that reasonable suspicion existed to require an alcohol test.

A written record of the observations leading to a reasonable suspicion test shall be made and signed by the supervisor and/or school official that made the observations. This record shall be made within twenty-four hours of the observed behavior or before the results of the test are released, whichever is earlier.

5. Return to Duty Testing

The district is not required to return an employee to a safety-sensitive position upon receipt of a confirmed drug and/or alcohol test.

The DER may recommend to the Superintendent of Schools the employee’s employment be terminated depending on the circumstances.
The DER shall ensure that before an employee returns to duty requiring the performance of a safety-sensitive function, the employee shall undergo a return to duty alcohol test indicating a breath alcohol concentration of less than 0.02 and a controlled substances test with a result indicating a verified negative result for controlled substances use as required in 49 CFR 40.305.

Employees permitted to return to duty are required to take return-to-duty tests and shall be evaluated by a SAP. These employees must participate in an assistance program prescribed by the SAP and as required in 49 CFR 40 Subpart O.

The SAP will determine a written follow-up testing plan for any employee who has been permitted to return to work and has successfully complied with the SAP’s recommendations for education and/or treatment. Such employees are subject to a minimum of six unannounced, follow-up drug screenings and alcohol tests over the following twelve months. The testing shall not exceed forty-eight additional months. Alcohol follow-up testing shall be performed only when the employee is performing safety-sensitive functions or immediately prior to performing or immediately after performing safety-sensitive functions. All follow-up testing will be completed in accordance with 49 CFR 40.307. The SAP will comply with all reporting requirements of 49 CFR 40.311.

The Board shall make the ultimate determination to return or not return an employee to a safety-sensitive position subject to any collective bargaining agreements, if any, or other legal requirements.

Medical Review Officer (MRO) Notifications

The Board shall employ or contract with a MRO who is a licensed physician (M.D. or D.O.) and shall designate the MRO as the individual responsible for receiving laboratory results generated by the testing program. The MRO shall have knowledge of controlled substances abuse disorders and have appropriate medical training to interpret and evaluate the employee’s confirmed drug test results together with his/her medical history and other biomedical data.
MRO will perform all functions and responsibilities as required in 49 CFR 40.121.

Employer Notification

The MRO may report controlled substances test results to the DER by any means of communication; however, a signed, written notification must be forwarded within three business days of the completion of the MRO’s evaluation. The MRO must report all drug test results to the employer. The MRO may use a signed or stamped and dated legible photocopy of Copy 2 of the CCF to report test results or a written report that must include, at a minimum, the information required in 49 CFR 40.163.

Split Specimen Tests

Split specimen testing will be conducted in accordance with 49 CFR 40 Subpart H. The MRO will notify the Superintendent of Schools or designee if split specimen testing is requested by the employee.

Designated Collection Facility

The Board shall designate the facility to be used for the collection of the specimen; provided, however, that the designated facility shall possess all required licenses and permits. The collection site will take place in a facility meeting the requirements of 49 CFR 40 Subpart D. The DER will ensure the collection site meets the security requirements of 49 CFR 40.43.

Designated Screening Laboratory

The Board shall designate the laboratory to which collected fluid samples will be forwarded for drug/alcohol screening. Drug testing laboratories must be certified by the Department of Health and Human Services (HHS) under the National Laboratory Certification Program (NLCP) for all testing required under 49 CFR 40. The laboratory will perform all responsibilities as required in accordance with 49 CFR 40 Subpart F.

Specimens

The normal screening methodology for controlled substances shall be urinalysis, collected by a trained representative of the Board with appropriate documentation.
at a site designated and approved by the Board. The presence of alcohol will be determined by an Alcohol Screening Device (ASD) or an Evidential Breath Testing Device administered by an individual certified in accordance with 49 CFR 40.211 and 49 CFR 40.213.

Refusal to Submit

An employee will be deemed as refusing to take a drug test as described in 49 CFR 40.191. As per 49 CFR 40.191, an employee refuses to take a drug test if he/she:

1. Fails to appear for any test (except a pre-employment test) within a reasonable time, as determined by the DER, consistent with applicable DOT agency regulations, after being directed to do so by the DER;

2. Fails to remain at the testing site until the testing process is complete. An employee who leaves the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;

3. Fails to provide a urine specimen for any drug test required by this Policy. An employee who does not provide a urine specimen because he or she has left the testing site before the testing process commences for a pre-employment test is not deemed to have refused to test;

4. Fails to permit the observation or monitoring of providing a specimen in the case of a directly observed or monitored collection in a drug test;

5. Fails to provide a sufficient amount of urine when directed, and it has been determined, through a required medical evaluation, that there was no adequate medical explanation for the failure;

6. Fails or declines to take an additional drug test the DER or collector has directed the employee to take;

7. Fails to undergo a medical examination or evaluation, as directed by the MRO as part of the verification process, or as directed by the DER under 49 CFR 40.193(d). In the case of a pre-employment
drug test, the employee is deemed to have refused to test on this basis only if the pre-employment test is conducted following a contingent offer of employment;

8. Fails to cooperate with any part of the testing process (e.g., refuses to empty pockets when so directed by the collector, behaves in a confrontational way that disrupts the collection process, fails to wash hands after being directed to do so by the collector);

9. Fails to follow the collection observer(s) instructions of which could be used to interfere with the collection process;

10. Possesses or wears a prosthetic or other device that could be used to interfere with the collection process; or

11. Admits to the collector or MRO he/she has adulterated or substituted the specimen.

If the MRO reports the employee had a verified adulterated or substituted test result, the result will be deemed refusal to take a drug test.

If an employee refuses to participate in a part of the testing process, the collector or MRO, must terminate the portion of the testing process, document the refusal on the CCF (including in the case of the collector, printing the employee’s name on Copy 2 of the CCF), immediately notify the DER by any means (e.g., telephone or secure fax machine) that ensures that the refusal notification is immediately received. A referral physician (e.g., physician evaluating a “shy bladder” condition or a claim of a legitimate medical explanation in a validity testing situation) must notify the MRO, who in turn will notify the DER. In addition, the collector must note the refusal in the “Remarks” line (Step 2), and sign and date the CCF. The MRO must note the refusal by checking the “Refused to Test” box (Step 6) on Copy 2 of the CCF, and add the reason on the “Remarks” line. The MRO must then sign and date the CCF. When the employee refuses to take a non-DOT test or to sign a non-DOT form, the employee has not refused to take a DOT test. There are no consequences under DOT agency regulations for refusing to take a non-DOT test.
Record of Negative Screening

An employee required to submit to an alcohol and/or controlled substance screening as provided in this Policy and whose screening results are negative may, at their option, have their personnel file documented to reflect the negative result.

Prescription Drugs

All bus drivers shall notify the DER of the use of any prescription drugs. The Board may require certification from the prescribing physician that the use of the prescription drug will not have an adverse affect on the driver’s ability to properly perform safety-sensitive functions.

Consequences to Employees Engaging in Prohibited Conduct

An employee whose screening produces a positive result for a prohibited substance who is permitted to return to work:

1. Shall not be permitted to perform safety-sensitive functions;
2. Shall be advised by the DER of resources available to them in evaluating and resolving problems associated with the misuse of alcohol or the use of controlled substances;
3. Shall be evaluated by a SAP who shall determine what assistance, if any, is needed to resolve problems with alcohol or controlled substance use;
4. Undergo, before returning to duty, a return to duty alcohol test indicating a breath level of less than 0.02 if the conduct involved alcohol or a controlled substance test with a verified negative result;
5. If assistance was required, the employee must be evaluated by a SAP to determine that the employee has followed the rehabilitation program prescribed;
6. Be subject to unannounced follow-up alcohol and/or controlled substance abuse testing;
7. Be subject to the disciplinary Policy and Regulations of the Board.
Return-to-Work Agreement

An employee who has been permitted to return to work and who fails to comply with any of the terms of a Return to Work Agreement, if provided at the employer’s discretion, shall be subject to disciplinary action which may include termination.

Maintenance and Retention of Records

The DER shall maintain and retain all records as required by Federal regulation. Records shall include at least the following:

5111 ELIGIBILITY OF RESIDENT/NONRESIDENT STUDENTS

The Board of Education shall admit to its schools, free of charge, persons over five and under twenty years of age, pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education.

Eligibility to Attend School

The Board shall admit students eligible to attend school free of charge that are domiciled within the district as defined in N.J.A.C. 6A:22-3.1.

A child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in a time of war or national emergency shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. Following the return of the child’s parent or guardian from active military service, the child’s eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

The Board shall also admit any student that is kept in the home of a person other than the student’s parent or guardian, where the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child in accordance with N.J.A.C. 6A:22-3.2. A student is only eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 if the student’s parent or guardian files, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the other person solely for the purpose of receiving a free public education. In addition, the person keeping the student must file, if so required by the Board of Education, a sworn statement that he or she is domiciled within the school district; is supporting the child without remuneration and intends to do so for a time longer than the school term; will assume all personal obligations for the student relative to school requirements; and provides a copy of his or her lease if a
Eligibility of Resident/Nonresident Students

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.b if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency. Eligibility under this provision shall cease at the end of the current school year during which the parent or guardian returns from active military duty.

A student is eligible to attend school in this school district free of charge pursuant to N.J.S.A. 18A:38-1.d if the student’s parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of a student attending the school district of temporary residence. When one of a student’s parents or guardians temporarily resides in the school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with the criteria of N.J.A.C. 6A:22-3.1(a).i.

A student is eligible to attend this school district free of charge:

1. If the student’s parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2 - Education of Homeless Children;

2. If the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2;
3. If the student previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district, pursuant to N.J.S.A. 18A:38-3.b. The school district shall not be obligated for transportation costs; and

4. If the student resides on Federal property within the State pursuant to N.J.S.A. 18A:38-7.7 et seq.

Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other law, rule, or regulation to the contrary, a student who moves out of the school district as a result of domestic violence, sexual abuse, or other family crises shall be permitted to remain enrolled in the school district for the remainder of the school year in pursuant to N.J.S.A. 18A:38-1.1 and in accordance with the provisions of N.J.A.C. 6A:22-3.2(h). If the student remains enrolled in the school district for the remainder of the school year, the school district shall provide transportation services to the student, provided the student lives remote from school, and the State shall reimburse the school district for the cost of the transportation services. Nothing in N.J.S.A. 18A:38-1.1 shall be construed to affect the rights of homeless students pursuant to N.J.S.A. 18A:7B-12, N.J.S.A. 18A:7B-12.1, or any other applicable State or Federal law.

A student’s eligibility to attend this school shall not be affected by the physical condition of an applicant’s housing or his or her compliance with local housing ordinances or terms of lease.

Except as set forth in N.J.A.C. 6A:22-3.3(b)1, immigration/visa status shall not affect eligibility to attend school and the school district shall not condition enrollment in the school district on immigration status. A student’s immigration/visa status and their eligibility to attend school shall be in accordance with N.J.A.C. 6A:22-3.3(b) and Regulation 5111.

Proof of Eligibility

The Board of Education shall accept a combination of forms of documentation from persons attempting to demonstrate a student’s eligibility for enrollment in the school district in accordance with the provisions of N.J.A.C. 6A:22-3.4. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.
The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school as outlined in N.J.A.C. 6A:22-3.4(d). The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in N.J.A.C. 6A:22-3.4(d) or pertinent parts thereof if voluntarily disclosed by the applicant. The Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment. However, in the case of a dispute between the school district and the parent or guardian of a student in regard to the student’s eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission the parent or guardian’s name and address for use in verifying a student’s eligibility for enrollment in the school district in accordance with the provisions of N.J.S.A. 18A:38-1.3.

Registration Forms and Procedures for Initial Assessment

Registration and initial determinations of eligibility will be in accordance with N.J.A.C. 6A:22-4.1. The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district’s determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.
Eligibility of Resident/Nonresident Students

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of “neglect” for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student’s name, the name(s) of the parent/guardian/resident, and the student’s address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student’s birth certificate or other proof of a student’s identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student’s prior educational record. However, the applicant shall be advised the student’s initial educational placement may be subject to revision upon the school district’s receipt of records or further assessment of the student.
Notice of Ineligibility

When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student’s initial application is found to be deficient upon subsequent review or investigation, the school district immediately shall provide to the applicant notice that is consistent with Commissioner-provided sample form(s) and meets requirements of N.J.A.C. 6A:22-4 et seq. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside. Notices of ineligibility shall include information as outlined in N.J.A.C. 6A:22-4.2.

Removal of Currently Enrolled Students

Nothing in N.J.A.C. 6A:22 et seq. and this Policy shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student’s removal in accordance with the provisions of N.J.A.C. 6A:22-4.3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an “affidavit student” (as defined in N.J.A.C. 6A:22-1.2) has been informed of his or her entitlement to a hearing before the Board of Education. Once the hearing is held, or if the parent, guardian, adult student or resident keeping an “affidavit student”, does not respond within the designated time frame to the Superintendent’s notice or appear for the hearing, the Board of Education shall make a prompt determination of the student’s eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board or a Board Committee, at the discretion of the full Board. If the hearing(s) is conducted by a Board Committee, the Committee shall make a recommendation to the full Board for action. No student may be removed except by vote of the Board taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.
Eligibility of Resident/Nonresident Students

Appeal to the Commissioner

An applicant may appeal to the Commissioner of Education the school district’s determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of “affidavit student” eligibility determinations shall be filed by the resident keeping the student.

Assessment and Calculation of Tuition

If no appeal to the Commissioner is filed following notice of an ineligibility determination, the Board of Education may assess tuition, for up to one year of a student’s ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner. Tuition will be assessed and calculated in accordance with N.J.A.C. 6A:22-6.3 et seq. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

If an appeal to the Commissioner is filed and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition in accordance with the provisions of N.J.A.C. 6A:22-6.2(a). Upon the Commissioner’s finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition in accordance with N.J.A.C. 6A:22-6.2.

Nonresident Students

The admission of a nonresident student to school free of charge must be approved by the Board. No student otherwise eligible shall be denied admission on the basis of the student’s race, color, creed, religion, national origin, ancestry, age, marital status, affectational or sexual orientation or sex, social or economic status, or disability. The continued enrollment of any nonresident student shall be contingent upon the student’s maintenance of good standards of citizenship and discipline.
Children Who Anticipate Moving to or from the District

A nonresident student otherwise eligible for attendance whose parent or guardian anticipates school district residency and has entered a contract to buy, build, or rent a residence in this school district may be enrolled for a period of time not greater than 30 days prior to the anticipated date of residency. If any such student does not become a resident of the school district within 30 days after admission to school, tuition will be charged for attendance commencing the beginning of the 31st day and until such time as the student becomes a resident or withdraws from school.

Students whose parent or guardian have moved away from the school district on or after April 30 will be permitted to finish the school year in this school district without payment of tuition.

Children of District Employees

As per the RTEA and RTAA contracts, children of Board of Education employees who do not reside in this school district may be admitted to school in this district with payment of tuition, provided that the educational program of such children can be provided within school district facilities.

Other Nonresident Students

Other nonresident students, otherwise eligible for attendance may be admitted to this school district with payment of tuition and Board approval.

F-1 Visa Students

__X__ The school district will permit the attendance of F-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. An F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student’s proof of financial means to pay the full tuition to the receiving school district for the academic year.

5. “Guardian” means a person to whom a court of competent jurisdiction has awarded guardianship or custody of a child, provided that a residential custody order shall entitle a child to attend school in the residential custodian’s school district unless it can be proven that the child does not actually live with the custodian. “Guardian” also means the Department of Children and Families for purposes of N.J.S.A. 18A:38-1.e.

B. Eligibility to Attend School – Students Domiciled in the District

1. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district if the student is domiciled within the district:

   a. A student is domiciled in the school district when he or she is living with a parent or guardian whose domicile is located within the school district.
Eligibility of Resident/Nonresident Students

(1) When a student’s parents or guardians are domiciled within different school districts and there is no court order or written agreement between the parents designating the school district of attendance, the student’s domicile is the school district of the parent or guardian with whom the student lives for the majority of the school year. This provision shall apply regardless of which parent has legal custody.

(2) When a student’s physical custody is shared on an equal-time, alternating week/month or other similar basis so the student is not living with one parent or guardian for a majority of the school year and there is no court order or written agreement between the parents designating the school district of attendance, the student’s domicile is the present domicile of the parent or guardian with whom the student resided on the last school day prior to October 16 preceding the application date.

(a) When a student resided with both parents or guardians, or with neither parent or guardian, on the last school day prior to the preceding October 16, the student’s domicile is the domicile of the parent or guardian with whom the parents or guardians indicate the student will be residing on the last school day prior to the ensuing October 16. When the parents or guardians do not designate or cannot agree upon the student’s likely residence as of that date, or if on that date the student is not residing with the parent or guardian previously indicated, the student shall attend school in the school district of domicile of the parent or guardian with whom the student actually lives as of the last school day prior to October 16.
When the domicile of the student with disabilities as defined in N.J.A.C. 6A:14 cannot be determined pursuant to N.J.A.C. 6A:22-3.1, nothing shall preclude an equitable determination of shared responsibility for the cost of such student’s out-of-district placement.

When a student is living with a person other than a parent or guardian, nothing in N.J.A.C. 6A:22-3.1 is intended to limit the student’s right to attend school in the parent or guardian’s school district of domicile pursuant to the provisions of N.J.A.C. 6A:22.

No school district shall be required to provide transportation for a student residing outside the school district for all or part of the school year unless transportation is based upon the home of the parent or guardian domiciled within the school district or otherwise required by law.

A student is domiciled in the school district when he or she has reached the age of eighteen or is emancipated from the care and custody of a parent or guardian and has established a domicile within the school district.

A student is domiciled in the school district when the student has come from outside the State and is living with a person domiciled in the school district who will be applying for guardianship of the student upon expiration of the six-month “waiting period” of State residency required pursuant to N.J.S.A. 2A:34-54 (“home state” definition) and 2A:34-65.a(1). However, a student may later be subject to removal proceedings if application for guardianship is not made within a reasonable period of time following expiration of the mandatory waiting period or if guardianship is applied for and denied.
Eligibility of Resident/Nonresident Students

d. A student is domiciled in the school district when his or her parent or guardian resides within the school district on an all-year-round basis for one year or more, notwithstanding the existence of a domicile elsewhere.

e. A student is domiciled in the school district if the Department of Children and Families is acting as the student’s guardian and has placed the student in the school district.

2. When a student’s dwelling is located within two or more school districts, or bears a mailing address that does not reflect the dwelling’s physical location within a municipality, the school district of domicile for school attendance purposes shall be the municipality to which the majority of the dwelling’s property tax is paid, or to which the majority of the dwelling’s or unit’s property tax is paid.

a. When property tax is paid in equal amounts to two or more municipalities, and there is no established assignment for students residing in the affected dwellings, the school district of domicile for school attendance purposes shall be determined through assessment of individual proofs as provided pursuant to N.J.A.C. 6A:22-3.4.

b. This provision shall not preclude the attendance of currently enrolled students who were permitted to attend the school district prior to December 17, 2001.

c. When a student’s parent or guardian elects to exercise such entitlement, nothing in N.J.A.C. 6A:22-3.1 shall exclude a student’s right to attend the school district of domicile although the student is qualified to attend a different school district pursuant to N.J.S.A. 18A:38-1.b or the temporary residency (less than one year) provision of N.J.S.A. 18A:38-1.d.
3. Notwithstanding the provisions of N.J.S.A. 18A:38-1 or any other section of law to the contrary, a child who is domiciled within the school district and resides with a parent or guardian who is a member of the New Jersey National Guard or a member of the reserve component of the armed forces of the United States who is ordered into active military service in any of the armed forces of the United States in a time of war or national emergency, shall be permitted to remain enrolled in the school district in which the child is domiciled at the time of the parent or guardian being ordered into active military service, regardless of where the child resides during the period of active duty. The school district shall not be responsible for providing transportation for the child if the child lives outside of the district. Following the return of the child’s parent or guardian from active military service, the child’s eligibility to remain enrolled in the school district pursuant to N.J.S.A. 18A:38-3.1 shall cease at the end of the current school year unless the child is domiciled in the school district.

C. Eligibility to Attend School – Other Students Eligible to Attend School

1. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1.b if that student is kept in the home of a person other than the student’s parent or guardian, and the person is domiciled in the school district and is supporting the student without remuneration as if the student were his or her own child.

   a. A student is not eligible to attend this school district pursuant to this provision unless:

      (1) The student’s parent or guardian has filed, together with documentation to support its validity, a sworn statement that he or she is not capable of supporting or providing care for the student due to family or economic hardship and that the student is not residing with the other person solely for the purpose of receiving a free public education; and
Eligibility of Resident/Nonresident Students

(2) The person keeping the student has filed, if so required by the Board of Education:

(a) A sworn statement that he or she is domiciled within the school district, is supporting the child without remuneration and intends to do so for a longer time than the school term, and will assume all personal obligations for the student pertaining to school requirements; and

(b) A copy of his or her lease if a tenant, a sworn landlord’s statement if residing as a tenant without a written lease, or a mortgage or tax bill if an owner.

b. A student shall not be deemed ineligible under this provision because required sworn statement(s) cannot be obtained when evidence is presented that the underlying requirements of the law are being met, notwithstanding the inability of the resident or student to obtain the sworn statement(s).

c. A student shall not be deemed ineligible under this provision when evidence is presented that the student has no home or possibility of school attendance other than with a school district resident who is not the student’s parent or guardian, but is acting as the sole caretaker and supporter of the student.

d. A student shall not be deemed ineligible under this provision solely because a parent or guardian gives occasional gifts or makes limited contributions, financial or otherwise, toward the student’s welfare provided the resident keeping the student receives from the parent or guardian no payment or other remuneration for regular maintenance of the student.
e. Pursuant to N.J.S.A. 18A:38-1.c, any person who fraudulently allows a child of another person to use his or her residence and is not the primary financial supporter of that child and any person who fraudulently claims to have given up custody of his or her child to a person in another school district commits a disorderly persons offense.

2. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1.b if the student is kept in the home of a person domiciled in the school district, who is not the parent or guardian and the parent or guardian is a member of the New Jersey National Guard or the reserve component of the United States armed forces and has been ordered into active military service in the United States armed forces in time of war or national emergency.

a. Eligibility under this provision shall cease at the end of the school year during which the parent or guardian returns from active military duty.

3. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1.d if the student’s parent or guardian temporarily resides within the school district and elects to have the student attend the school district of temporary residence, notwithstanding the existence of a domicile elsewhere.

a. When required by the Board of Education, the parent or guardian shall demonstrate the temporary residence is not solely for purposes of the student attending the school district of temporary residence;
Eligibility of Resident/Nonresident Students

b. When one of a student’s parents or guardians temporarily resides in a school district while the other is domiciled or temporarily resides elsewhere, eligibility to attend school shall be determined in accordance with N.J.A.C. 6A:22-3.1(a)1i. However, no student shall be eligible to attend school based upon a parent or guardian’s temporary residence in a school district unless the parent or guardian demonstrates, if required by the Board of Education, the temporary residence is not solely for purposes of a student’s attending the school district.

4. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-1.f if the student’s parent or guardian moves to another school district as the result of being homeless, subject to the provisions of N.J.A.C. 6A:17-2, Education of Homeless Children.

5. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-2 if the student is placed by court order or by a society, agency, or institution in the home of a school district resident pursuant to N.J.S.A. 18A:38-2. As used in this section, “court order” shall not encompass orders of residential custody under which claims of entitlement to attend a school district are governed by provisions of N.J.S.A. 18A:38-1 and the applicable standards set forth in N.J.A.C. 6A:22.

6. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend school in this school district pursuant to N.J.S.A. 18A:38-3.b if the student previously resided in the school district and if the parent or guardian is a member of the New Jersey National Guard or the United States reserves and has been ordered to active service in time of war or national emergency, resulting in the relocation of the student out of the school district. A school district admitting a student pursuant to N.J.S.A. 18A:38-3.b shall not be obligated for transportation costs.
Eligibility of Resident/Nonresident Students

7. A student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, is eligible to attend the school district pursuant to N.J.S.A. 18A:38-7.7 et seq. if the student resides on Federal property within the State.

8. In accordance with N.J.S.A. 18A:38-1.1, a student who is not considered homeless under N.J.S.A. 18A:7B-12 and who moves to a new school district during the academic year as a result of a family crisis shall be permitted to remain enrolled in the original school district of residence for the remainder of the school year without the payment of tuition. A student attending an academic program during the summer, who is otherwise eligible except for the timing of the move, shall be permitted to remain in the school district for the remainder of the summer program if it is considered an extension of the preceding academic year.

a. For purposes of N.J.A.C. 6A:22-3.2(h) and Policy and Regulation 5111, “family crisis” shall include, but not be limited to:

(1) An instance of abuse such as domestic violence or sexual abuse;

(2) A disruption to the family unit caused by death of a parent or guardian; or

(3) An unplanned displacement from the original residence such as fire, flood, hurricane, or other circumstances that render the residence uninhabitable.

b. Upon notification of the move by the parent or guardian, the original school district of residence shall allow the student to continue attendance and shall provide transportation services to and from the student’s new domicile in accordance with N.J.S.A. 18A:39-1. The original school district of residence may request from the parent or guardian and may review supporting documentation about the reason(s) for the move; however, any such review shall not interrupt the student’s continued enrollment in the school district and in the current school of attendance with the provision of transportation.
(1) Examples of documentation include, but are not limited to, newspaper articles, insurance claims, police or fire reports, notes from health professionals, custody agreements, or any other legal document.

c. If the parent or guardian or the relevant documentation indicates the child is homeless pursuant to N.J.S.A. 18A:7B-12, the school district liaison shall assume the coordination of enrollment procedures pursuant to N.J.A.C. 6A:17-2.5 and the student shall not be eligible for enrollment under N.J.S.A. 18A:38-1.1.

d. If the original school district of residence determines the situation does not meet the family crisis criteria outlined in 8.a. above, the Superintendent or designee shall notify the parent or guardian in writing. The notification shall inform the parent or guardian of his or her right to appeal the decision within twenty-one calendar days of his or her receipt of the notification, and shall state that if such appeal is denied, he or she may be assessed the costs for transportation provided to the new residence during the period of ineligible attendance. It shall also state whether the parent or guardian is required to withdraw the student by the end of the twenty-one day appeal period in the absence of an appeal.

(1) The parent or guardian may appeal by submitting the request in writing with supporting documentation to the Executive County Superintendent of the county in which the original school district of residence is situated.

(2) Within thirty calendar days of receiving the request and documentation, the Executive County Superintendent shall issue a determination whether the situation meets the family crisis criteria set forth at 8.a. above. The original school district of residence shall continue to enroll the student and provide transportation to the current school of attendance in accordance with N.J.S.A. 18A:39-1 until the determination is issued.
Eligibility of Resident/Nonresident Students

(3) If the Executive County Superintendent determines the situation does not constitute a family crisis, the school district may submit to the Executive County Superintendent for approval the cost of transportation to the ineligible student’s new domicile. The Executive County Superintendent shall certify the transportation costs to be assessed to the parent or guardian for the period of ineligible attendance.

e. When the original school district of residence determines the situation constitutes a family crisis pursuant to N.J.S.A. 18A:38-1.1, the Superintendent or designee shall immediately notify the parent or guardian in writing.

(1) When the original school district of residence anticipates the need to apply for reimbursement of transportation costs, it shall send to the Executive County Superintendent a request and documentation of the family crisis for confirmation the situation meets the criteria set forth at 8.a. above.

(2) Within thirty days of receiving the school district’s request and documentation, the Executive County Superintendent shall issue a determination of whether the situation meets the criteria for a family crisis. The original school district of residence shall continue to enroll the student and provide transportation to the current school of attendance in accordance with N.J.S.A. 18A:39-1 until the determination is issued, and shall not be reimbursed for additional transportation costs unless the Executive County Superintendent determines the situation is a family crisis or as directed by the Commissioner upon appeal.

f. In providing transportation to students under N.J.S.A. 18A:38-1.1, the Board shall use the most efficient and cost-effective means available and in conformance with all laws governing student transportation.
g. At the conclusion of the fiscal year in which the Executive County Superintendent has determined the situation constitutes a family crisis, the original school district of residence may apply to the Executive County Superintendent for a reimbursement of eligible costs for transportation services.

(1) Eligible costs shall include transportation for students who are required to be transported pursuant to N.J.S.A. 18A:39-1.

(2) The school district shall provide documentation of the transportation costs for the eligible student(s) to the Executive County Superintendent who shall review and forward the information to the Department’s Office of School Facilities and Finance for reimbursement payment(s) to the school district.

(3) Payment to the school district shall be made in the subsequent fiscal year and shall equal the approved cost less the amount of transportation aid received for the student(s).

h. Nothing in N.J.A.C. 6A:22-3.2 shall prevent the Board of Education from allowing a student to enroll without the payment of tuition pursuant to N.J.S.A. 18A:38-3.a.

i. Nothing in N.J.A.C. 6A:22-3.2 shall prevent a parent or school district from appealing the Executive County Superintendent’s decision(s) to the Commissioner in accordance with N.J.A.C. 6A:3-1.3. If the Commissioner of Education determines the situation is not a family crisis, his or her decision shall state which of the following shall pay the transportation costs incurred during the appeal process: the State, school district, or parent.

D. Housing and Immigration Status

1. A student’s eligibility to attend school shall not be affected by the physical condition of an applicant’s housing or his or her compliance with local housing ordinances or terms of lease.
2. Except as set forth in a. below, immigration/visa status shall not affect eligibility to attend school. Any student over five and under twenty years of age pursuant to N.J.S.A. 18A:38-1, or such younger or older student as is otherwise entitled by law to a free public education, who is domiciled in the school district or otherwise eligible to attend school in the district pursuant to N.J.A.C. 6A:22-3.2 shall be enrolled without regard to, or inquiry concerning, immigration status.

a. However, the provisions of N.J.S.A. 18A:38-1 and N.J.A.C. 6A:22 shall not apply to students who have obtained, or are seeking to obtain, a Certificate of Eligibility for Nonimmigrant Student Status (INS Form I-20) from the school district in order to apply to the INS for issuance of a visa for the purpose of limited study on a tuition basis in a United States public secondary school (“F-1” Visa).

3. F-1 Visa Students

__X__ The school district will permit the attendance of F-1 Visa students into the school district only with the payment of full tuition and a signed tuition contract. The district may require advance payment of full tuition before providing the requested I-20 Form, in accordance with the provisions of Federal regulation 8 CFR 214.3. An F-1 Visa is granted to a foreign student through an application process that must include, but is not limited to, signed approval by the receiving school district exhibiting the receiving school district will accept the foreign student for enrollment and the foreign student’s proof of financial means to pay the full tuition to the receiving school district for the academic year.

E. Nothing in Policy and Regulation 5111 or N.J.A.C. 6A:22-3.2 shall be construed to limit the discretion of the Board to admit nonresident students, or the ability of a nonresident student to attend school with or without payment of tuition, with the consent of the district Board pursuant to N.J.S.A. 18A:38-3.a.
F. Proof of Eligibility

1. The Board of Education shall accept a combination of any of the following or similar forms of documentation from persons attempting to demonstrate a student’s eligibility for enrollment in the school district:

   a. Property tax bills; deeds; contracts of sale; leases; mortgages; signed letters from landlords; and other evidence of property ownership, tenancy, or residency;

   b. Voter registrations; licenses; permits; financial account information; utility bills; delivery receipts; and other evidence of personal attachment to a particular location;

   c. Court orders; State agency agreements; and other evidence of court or agency placements or directives;

   d. Receipts; bills; cancelled checks; insurance claims or payments; and other evidence of expenditures demonstrating personal attachment to a particular location, or to support the student;

   e. Medical reports; counselor or social worker assessments; employment documents; unemployment claims; benefit statements; and other evidence of circumstances demonstrating family or economic hardship, or temporary residency;

   f. Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, guardian, person keeping an “affidavit student,” adult student, person(s) with whom a family is living, or others, as appropriate;

   g. Documents pertaining to military status and assignment; and

   h. Any other business record or document issued by a governmental entity.

2. The Board of Education may accept forms of documentation not listed above, and shall not exclude from consideration any documentation or information presented by an applicant.
3. The Board of Education shall consider the totality of information and documentation offered by an applicant, and shall not deny enrollment based on failure to provide a particular form or subset of documents without regard to other evidence presented.

4. The Board of Education shall not condition enrollment on the receipt of information or documents protected from disclosure by law, or pertaining to criteria that are not a legitimate basis for determining eligibility to attend school. They include, but are not limited to:
   a. Income tax returns;
   b. Documentation or information relating to citizenship or immigration/visa status, except as set forth in N.J.A.C. 6A:22-3.3(b);
   c. Documentation or information relating to compliance with local housing ordinances or conditions of tenancy; and
   d. Social security numbers.

5. The Board of Education may consider, in a manner consistent with Federal law, documents or information referenced in 4. above, or pertinent parts thereof if voluntarily disclosed by the applicant. However, the Board of Education may not, directly or indirectly, require or request such disclosure as an actual or implied condition of enrollment.

6. In the case of a dispute between the school district and the parents or guardians of a student in regard to a student’s eligibility to enroll in the school district or to remain enrolled in the school district pursuant to the provisions of N.J.S.A. 18A:38-1, the school district may request from the New Jersey Motor Vehicle Commission the parent or guardian’s name and address for use in verifying a student’s eligibility for enrollment in the school district.

G. Registration Forms and Procedures for Initial Assessment

1. The Board of Education shall use Commissioner-provided registration forms, or locally developed forms that:
   a. Are consistent with the forms provided by the Commissioner;
b. Do not seek information prohibited by N.J.A.C. 6A:22 or any other provision of statute or rule;

c. Summarize, for the applicant’s reference, the criteria for attendance set forth in N.J.S.A. 18A:38-1, and specify the nature and form of any sworn statement(s) to be filed;

d. Clearly state the purpose for which the requested information is being sought in relation to the criteria; and

e. Notify applicants that an initial eligibility determination is subject to a more thorough review and evaluation, and that an assessment of tuition is possible if an initially admitted applicant is later found ineligible.

2. The Board of Education shall make available sufficient numbers of registration forms and trained registration staff to ensure prompt eligibility determinations and enrollment. Enrollment applications may be taken by appointment, but appointments shall be promptly scheduled and shall not unduly defer a student’s attendance at school.

a. If the school district uses separate forms for affidavit student applications rather than a single form for all types of enrollment, affidavit student forms shall comply in all respects with the provisions of G.1. above. When affidavit student forms are used, the school district shall provide them to any person attempting to register a student of whom he or she is not the parent or guardian, even if not specifically requested.

(1) The Board of Education or its agents shall not demand or suggest that guardianship or custody must be obtained before enrollment will be considered for a student living with a person other than the parent or guardian since such student may qualify as an affidavit student.

(2) The Board of Education or its agents shall not demand or suggest that an applicant has guardianship or custody produce affidavit student proofs.
b. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

3. Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials.

a. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

b. When a student appears ineligible based on information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the school district’s determination and intent to appeal to the Commissioner.

(1) An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed without a hearing before the Board if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

4. When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement that the student will be attending school in another school district or nonpublic school, or receiving
Students instruction elsewhere than at a school, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of “neglect” for purposes of ensuring compliance with compulsory education laws, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student’s name, the name(s) of the parent/guardian/resident, and the student’s address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

5. Enrollment or attendance in the school district shall not be conditioned on advance payment of tuition in whole or part when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information.

6. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2 - Education of Homeless Children.

7. Enrollment or attendance in the school district shall not be denied based upon absence of a certified copy of the student’s birth certificate or other proof of his or her identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

8. Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

9. When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student’s prior educational record. However, the applicant shall be advised the student’s initial educational placement may be subject to revision upon the school district’s receipt of records or further assessment of the student.
H. Notice of Ineligibility

1. When a student is found ineligible to attend the school district pursuant to N.J.A.C. 6A:22 or the student’s initial application is found to be deficient upon subsequent review or investigation, the school district shall immediately provide notice to the applicant that is consistent with Commissioner-provided sample form(s) and meets the requirements of N.J.A.C. 6A:22-4 et seq.

   a. Notices shall be in writing; in English and in the native language of the applicant; issued by the Superintendent; and directed to the address at which the applicant claims to reside.

2. Notices of ineligibility shall include:

   a. In cases of denial, a clear description of the specific basis on which the determination of ineligibility was made:

      (1) The description shall be sufficient to allow the applicant to understand the basis for the decision and determine whether to appeal; and

      (2) The description shall identify the specific subsection of N.J.S.A. 18A:38-1 under which the application was decided.

   b. In cases of provisional eligibility, a clear description of the missing documents or information that still must be provided before a final eligibility status can be attained under the applicable provision of N.J.S.A. 18A:38-1;

   c. A clear statement of the applicant’s right to appeal to the Commissioner of Education within twenty-one days of the notice date, along with an informational document provided by the Commissioner describing how to file an appeal;

   d. A clear statement of the student’s right to attend school for the twenty-one day period during which an appeal can be made to the Commissioner. It also shall state the student will not be permitted to attend school beyond the twenty-first day following the notice date if missing information is not provided or an appeal is not filed;
STUDENTS

Eligibility of Resident/Nonresident

  e. A clear statement of the student’s right to continue
     attending school while an appeal to the Commissioner is
     pending;

  f. A clear statement that, if an appeal is filed with the
     Commissioner and the applicant does not sustain the
     burden of demonstrating the student’s right to attend the
     school district, or the applicant withdraws the appeal, fails
     to prosecute or abandons the appeal by any means other
     than settlement, the applicant may be assessed, by order of
     the Commissioner enforceable in Superior Court, tuition for
     any period of ineligible attendance, including the initial
     twenty-one day period and the period during which the
     appeal was pending before the Commissioner;

  g. A clear statement of the approximate rate of tuition,
     pursuant to N.J.A.C. 6A:22-6.3, that an applicant may be
     assessed for the year at issue if the applicant does not
     prevail on appeal, or elects not to appeal:

     (1) If removal is based on the student’s move from the
         school district, the notice of ineligibility shall also
         provide information as to whether district Policy
         permits continued attendance, with or without
         tuition, for students who move from the school
         district during the school year.

  h. The name of a contact person in the school district who can
     assist in explaining the notice’s contents; and

  i. When no appeal is filed, notice that the parent or guardian
     shall still comply with compulsory education laws. In the
     absence of a written statement from the parent or guardian
     that the student will be attending school in another school
     district or non-public school, or receiving instruction
     elsewhere than at a school, school district staff shall notify
     the school district of actual domicile/residence, or the
     Department of Children and Families, of a potential
     instance of “neglect” pursuant to N.J.S.A. 9:6-1. For
     purposes of facilitating enforcement of the State
staff shall provide the student’s name, the name(s) of the parent/guardian/resident, address to the extent known, denial of admission based on residency or domicile, and absence of evidence of intent to attend school or receive instruction elsewhere.

I. Removal of Currently Enrolled Students

1. Nothing in N.J.A.C. 6A:22 and this Regulation shall preclude the Board of Education from identifying through further investigation or periodic requests for revalidation of eligibility, students enrolled in the school district who may be ineligible for continued attendance due to error in initial assessment, changed circumstances, or newly discovered information.

2. When a student who is enrolled and attending school based on an initial eligibility determination is later determined to be ineligible for continued attendance, the Superintendent may apply to the Board of Education for the student’s removal.

   a. The Superintendent shall issue a preliminary notice of ineligibility meeting the requirements of N.J.A.C. 6A:22-4.2. However, the notice shall also provide for a hearing before the Board of Education prior to a final decision on removal.

3. No student shall be removed from school unless the parent, guardian, adult student, or resident keeping an “affidavit student,” has been informed of his or her entitlement to a hearing before the Board of Education.

4. Once the hearing is held, or if the parent, guardian, adult student, or resident keeping an “affidavit student,” does not respond within the designated time frame to the Superintendent’s notice or appear for the hearing, the Board of Education shall make a prompt determination of the student’s eligibility and shall immediately provide notice in accordance with N.J.A.C. 6A:22-4.2.

5. Hearings required pursuant to N.J.A.C. 6A:22-4.3 may be conducted by the full Board of Education or a Board committee, at the discretion of the full Board. If the hearing is conducted by a
Eligibility of Resident/Nonresident

Board Committee, the Committee shall make a recommendation to the full Board for action. However, no student shall be removed except by vote of the Board of Education taken at a meeting duly convened and conducted pursuant to N.J.S.A. 10:4-6 et seq., the Open Public Meetings Act.

J. Appeal to the Commissioner

1. An applicant may appeal to the Commissioner of Education a school district determination that a student is ineligible to attend its schools. Appeals shall be initiated by petition, which shall be filed in accordance with N.J.S.A. 18A:38-1 and N.J.A.C. 6A:3-8.1 and shall proceed as a contested case pursuant to N.J.A.C. 6A:3.

   a. Pursuant to N.J.S.A. 18A:38-1.b(1), appeals of “affidavit student” ineligibility determinations shall be filed by the resident keeping the student.

K. Assessment and Calculation of Tuition

1. If no appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student following notice of an ineligibility determination, the Board of Education may assess tuition for up to one year of a student’s ineligible attendance, including the twenty-one day period provided by N.J.S.A. 18A:38-1 for appeal to the Commissioner.

   a. If the responsible party does not pay the tuition assessment, the Board of Education may petition the Commissioner pursuant to N.J.A.C. 6A:3 for an order assessing tuition, enforceable in accordance with N.J.S.A. 2A:58-10 through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division.

3. If an appeal to the Commissioner is filed by the parent, guardian, adult student, or school district resident keeping an “affidavit” student and the petitioner does not sustain the burden of demonstrating the student’s right to attend the school district, or the petitioner withdraws the appeal, fails to prosecute, or abandons
 Eligibility of Resident/Nonresident

the appeal by any means other than settlement agreeing to waive or reduce tuition, the Commissioner may assess tuition for the period during which the hearing and decision on appeal were pending, and for up to one year of a student’s ineligible attendance in a school district prior to the appeal’s filing and including the twenty-one day period to file an appeal.

a. Upon the Commissioner’s finding that an appeal has been abandoned, the Board of Education may remove the student from school and seek tuition for up to one year of ineligible attendance pursuant to N.J.A.C. 6A:22-6.1(a) plus the period of ineligible attendance after the appeal was filed. If the record of the appeal includes a calculation reflecting the tuition rate(s) for the year(s) at issue, the per diem tuition rate for the current year and the date on which the student’s ineligible attendance began, the Commissioner may order payment of tuition as part of his or her decision. In doing so, the Commissioner shall consider whether the ineligible attendance was due to the school district’s error. If the record does not include such a calculation and the Board of Education has filed a counterclaim for tuition, the counterclaim shall proceed to a hearing notwithstanding that the petition has been abandoned.

b. An order of the Commissioner assessing tuition is enforceable through recording, upon request of the Board of Education pursuant to N.J.A.C. 6A:3-12, on the judgment docket of the Superior Court, Law Division, in accordance with N.J.S.A. 2A:58-10.

3. Tuition assessed pursuant to the provisions of N.J.A.C. 6A:22-6 shall be calculated on a per-student basis for the period of a student’s ineligible enrollment, up to one year, by applicable grade/program category and consistent with the provisions of N.J.A.C. 6A:23A-17.1. The individual student’s record of daily attendance shall not affect the calculation.

4. Nothing in N.J.A.C. 6A:22 shall preclude an equitable determination by the Board of Education or the Commissioner that tuition shall not be assessed for all or part of any period of a student’s ineligible attendance in the school district when the
particular circumstances of a matter so warrant. In making the determination, the Board of Education or Commissioner shall consider whether the ineligible attendance was due to the school district’s error.

Adopted: March 26, 2019
The Board of Education is committed to providing a safe, supportive, and inclusive learning environment for all students. The New Jersey Law Against Discrimination (NJLAD), N.J.S.A. 10:5-12(11)(f), generally makes it unlawful for schools to subject individuals to differential treatment based on gender identity or expression. Title IX of the Education Amendments of 1972 (“Title IX”) specifically prohibits discrimination on the basis of sex in Federally-funded education programs and activities [20 U.S.C. § 1681(a)].

N.J.S.A. 18A:36-41 directs the Commissioner of Education to establish guidelines outlined in this Policy to provide direction for schools in addressing common issues concerning the needs of transgender students, and to assist schools in establishing policies and procedures that ensure a supportive and nondiscriminatory environment for transgender students.

Definitions/Terms

A safe and supportive environment within a school begins with understanding and respect. The Board believes students, teachers, and administrators should be provided with common terminology associated with gender identity. The terms listed below are commonly used by advocacy and human rights groups, however students may prefer other terms to describe their gender identity, appearance, or behavior. It is recommended school personnel discuss with the student the terminology and pronouns each student has chosen.

“Gender identity” means a person’s internal, deeply held sense of gender. All people have a gender identity, not just transgender people. For transgender people, the individual’s internal gender identity is not the same as the gender assigned at birth.

“Gender expression” means external manifestations of gender, expressed through a person’s name, pronouns, clothing, haircut, behavior, voice, and/or body characteristics. Society identifies these cues as masculine and feminine, although what is considered masculine or feminine changes over time and varies by culture.
“Assigned sex at birth (ASAB)” refers to the biological sex designation recorded on a person’s birth certificate upon the initial issuance of that certificate, should such a record be provided at birth.

“Gender assigned at birth” refers to the gender a child is assigned at birth or assumed to be, based on their biological sex assigned at birth.

“Sexual orientation” describes a person’s enduring physical, romantic, and/or emotional attraction to another person. Gender identity and sexual orientation are not the same. A transgender person may be straight, lesbian, gay, bisexual, or asexual. For example, a person who transitions from male to female and is attracted solely to men may identify as a straight woman.

“Transgender” is a term for an individual whose gender identity and/or gender expression differs from those typically associated with the sex and gender assigned at birth.

“Transition” is the process by which a transgender person recognizes that their authentic gender identity is not the same as the gender assigned at birth, and develops a more affirming gender expression that feels authentic. Some individuals socially transition, for example, through dress, use of names and/or pronouns. Some individuals may undergo physical transition, which might include hormone treatments and surgery. School district personnel should avoid the phrase “sex change,” as it is an inaccurate description of the transition process; the process is more accurately described as “gender-confirming.”

“LGBTQ” is an acronym for “lesbian, gay, bisexual, transgender, and queer/questioning.”

“Gender nonconforming” describes a person whose gender expression does not conform to the gender expectations of their family or community. Gender nonconformity is not necessarily an indication that a youth is transgender; many non-transgender youth do not conform to stereotypical expectations.

“Gender expansive, Gender diverse, Gender fluid, Gender non-binary, A gender, Gender queer” are terms that convey a wider, more flexible range of gender identity and/or expression than typically associated with the binary gender system. For example, students who identify as gender queer or gender fluid might not identify as boys or girls; for these students, the non-binary gender identity functions as the student’s gender identity.

“Cisgender” refers to individuals whose gender identity, expression, or behavior conforms with those typically associated with their sex assigned at birth.
Student-Centered Approach

The school district shall accept a student’s asserted gender identity; parental consent is not required. A student need not meet any threshold diagnosis or treatment requirements to have his or her gender identity recognized and respected by the school district, school, or school staff members. In addition, a legal or court-ordered name change is not required. There is no affirmative duty for any school district staff member to notify a student’s parent of the student’s gender identity or expression.

There may be instances where a parent of a minor student disagrees with the student regarding the name and pronoun to be used at school and in the student’s education records. In the event a parent objects to the minor student’s name change request, the Superintendent or designee should consult the Board Attorney regarding the minor student’s civil rights and protections under the NJLAD. School staff members should continue to refer to the student in accordance with the student’s chosen name and pronoun at school and may consider providing resource information regarding family counseling and support services outside of the school district.

School districts should be mindful of disputes between minor students and parents concerning the student’s gender identity or expression. Many support resources are available through advocacy groups and resources from the New Jersey Department of Children and Families and New Jersey Department of Education’s “Child Abuse, Neglect, and Missing Children” webpage.

The Principal or designee should have an open, but confidential discussion with the student to ascertain the student’s preference on matters such as chosen name, chosen pronoun to use, and parental communications. A transgender student shall be addressed at school by the name and pronoun chosen by the student, regardless of whether a legal name change or change in official school records has occurred. The school shall issue school documentation for a transgender student, such as student identification cards, in the name chosen by the student. A transgender student shall be allowed to dress in accordance with the student’s gender identity.

The Principal or designee should also discuss with the student, and any other individuals at the student’s request, the risks associated with the student’s transgender status being inadvertently disclosed. For example, the Principal or designee should inform the student the transgender status may be revealed due to other students’ discussions at home. The Principal or designee should work with the transgender student to ensure awareness of activities and events that may inadvertently disclose the transgender student’s status.
Safe and Supportive Environment

The Board developed and adopted this Policy to ensure that its schools provide a safe and supportive learning environment that is free from discrimination and harassment for transgender students, including students going through a gender transition. Gender-based policies, rules, and practices can have the effect of marginalizing, stigmatizing, and excluding students, whether they are gender nonconforming or not.

The Superintendent or designee shall review and update existing policies and procedures, including those regarding classroom activities, school ceremonies, school photographs, and dress codes, to verify transgender students are not excluded. In addition, the school district shall take the following steps to establish and maintain a nondiscriminatory environment for all students, including transgender and transitioning students:

- The school district must comply with N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.7, which prohibit harassment, intimidation, and bullying. The Board is required to develop, adopt, and implement a Policy in accordance with N.J.S.A. 18A:37-15 and N.J.A.C. 6A:16-7.7 that prohibits harassment, intimidation, or bullying on school property, at a school-sponsored function, or on a school bus. If harassment, intimidation, or bullying based on gender identity creates a hostile environment, the school must take prompt and effective steps to end the harassment, intimidation, or bullying, prevent its recurrence, and, as appropriate, remedy its effects.

- The Superintendent or designee should ensure training is provided to school staff members on sensitivity and respect towards transgender students.

- Social and Emotional Learning (SEL) concepts should be incorporated into school culture and curricula.

- The school district may seek a variety of professionals, including counselors and school psychologists, to provide emotional supports for all students who demonstrate a need. The Superintendent or designee shall ensure school counselors are knowledgeable regarding issues and concerns relevant to transgender students, students facing other gender identity issues, or students who may be transitioning.
• Student dress codes should not be enforced more strictly for transgender and gender nonconforming students than for other students.

• The school district shall honor and recognize a student’s asserted gender identity, and shall not require any documentation or evidence in any form, including diagnosis, treatment, or legal name change.

• A school’s obligation to ensure nondiscrimination on the basis of gender identity requires schools to provide transgender students equal access to educational programs and activities, even in circumstances in which other students, parents, or community members raise objections or concerns.

Confidentiality and Privacy

School staff members may not disclose information that may reveal a student’s transgender status except as allowed by law. The Principal or designee is advised to work with the student to create an appropriate confidentiality plan regarding the student’s transgender or transitioning status.

The school district shall keep confidential a current, new, or prospective student’s transgender status. Schools should address the student using a chosen name and the student’s birth name should be kept confidential by school and school staff members.

Due to a specific and compelling need, such as the health and safety of a student or an incident of bias-related crime, the school district may be obligated to disclose a student’s status. In this event, the Principal or designee should inform the student the school or school district intends to disclose the student’s transgender status for the student’s protection and well-being. Prior to disclosure, the student should be given the opportunity to personally disclose that information. The school district should make every effort to ensure any disclosure is made in a way that reduces or eliminates the risk of re-disclosure and protects the transgender student from further harassment. Those measures may include the facilitation of counseling for the student and the student’s family to facilitate the family’s acceptance and support of the student’s transgender status.
Transgender Students

During a harassment, intimidation, or bullying investigation the school district is obligated to develop a procedure to report, verbally and in writing, an act of harassment, intimidation, and bullying committed by an adult or youth against a student, pursuant to N.J.A.C. 6A:16-7.7(a)2viii. In this instance, the Principal or designee should inform the student of the school’s obligation to report the findings of the harassment, intimidation, and bullying investigation pursuant to N.J.S.A. 18A:37-15(d), which permits the parents of the students who are parties to the investigation to receive information about the investigation in accordance with Federal and State law and regulation. Under harassment, intimidation, and bullying legal requirements, parents are entitled to know the nature of the investigation; whether the district found evidence of harassment, intimidation, or bullying; or whether disciplinary action was imposed or services provided to address the incident of harassment, intimidation, or bullying.

The Principal or designee shall take into account the circumstances of the incident when providing notification to parents of all students involved in the reported harassment, intimidation, or bullying incident and when conveying the nature of the incident, including the actual or perceived protected category motivating the alleged offense, pursuant to N.J.A.C. 6A:16-7.7(a)2viii(2).

Disclosure of personally identifiable information from a student’s education record to other school officials within the school district, whom the school district has determined have a legitimate educational interest in the information, may be permissible under Family Educational Rights and Privacy Act (FERPA) (34 C.F.R. § 99.31(a)(1)). The school district shall make a concerted effort to ensure school officials obtain access to only those education records in which they have legitimate educational interests.

retention, security and access, regulations, nonliability; N.J.S.A. 2A:4A-60, Disclosure of juvenile information, penalties for disclosure; N.J.A.C. 6A:32-7, Student Records; N.J.A.C. 6A:14-2.9, Student records; as well as all other existing Federal and State laws and rules pertaining to student records and confidentiality.

School Records

If a student has expressed a preference to be called by a name other than their birth name, permanent student records containing the student’s birth name should be kept in a separate, confidential file. This file should only be shared with appropriate school staff members after consultation with a student. A separate file containing records bearing the student’s chosen name may also be kept. If the student has previously been known at school or in school records by a birth name, the Principal or designee should direct school staff members to use the student’s chosen name and not the student’s birth name.

To ensure consistency among teachers, school administrators, substitute teachers, and other school staff members, every effort should be made to immediately update student education records (for example, attendance records, transcripts, Individualized Education Programs (IEP), etc.) with the student’s chosen name and gender pronouns, consistent with the student’s gender identity and expression, and not circulate records with the student’s birth name, unless directed by the student.

- The school district shall report to the New Jersey Department of Education (NJDOE) through NJ SMART a student’s name or gender based upon that student’s chosen name and corresponding gender identity. Changing the name or gender identity from what was reported in previous years will not affect the reliability of the data reported.

- If the school district changes a student’s name or gender identity, it must also maintain locally a separate record reflecting the student’s legal name and sex assigned at birth until receipt of documentation of a legal change of name or gender.

Activities

With respect to gender-segregated classes or athletic activities, including intramural and interscholastic athletics, all students must be allowed to participate in a manner consistent with their gender identity.
The school district shall:

- Provide transgender students with the same opportunities to participate in physical education as other students in accordance with their gender identity;

- Permit a transgender student to participate in gender-segregated school activities in accordance with the student’s gender identity;

- Permit and support the formation of student clubs or programs regarding issues related to lesbian, gay, bisexual, transgender, and queer/questioning (LGBTQ) youth; and

- Offer support in the creation of peer-led educational groups.

Use of Facilities

All students are entitled to have access to restrooms, locker rooms, and changing facilities in accordance with their gender identity to allow for involvement in various school programs and activities.

In all cases, the Principal or designee must work with the student and school staff members so all parties are aware of facility policies and understand the student may access the restroom, locker room, and changing facility that corresponds to the student’s gender identity. While some transgender students will want this arrangement, others may be uncomfortable with it. Transgender students who are uncomfortable using a sex-segregated restroom should be provided with a safe and adequate alternative, such as a single “unisex” restroom or the nurse’s restroom. Similarly, some transgender students may be uncomfortable using the changing facilities that correspond to the student’s gender identity. Non-transgender students should also be afforded the option to use a private facility, such as a unisex facility or the nurse’s restroom, should they feel uncomfortable.

- The school district shall allow a transgender student to use a restroom or locker room based on the student’s gender identity.

- Reasonable alternative arrangements shall be made if needed to ensure a student’s safety and comfort. This direction for accommodations should come from the student.
The Superintendent or designee will make available to school staff members a variety of resources regarding professional development opportunities as sourced by the NJDOE as well as developmentally appropriate information for students regarding LGBTQ issues.

The Board adopts this Policy to help school and district administrators take steps to create an inclusive environment in which transgender and gender nonconforming students feel safe and supported, and to ensure each school provides equal educational opportunities for all students, in compliance with N.J.A.C. 6A:7-1.1 et seq.

New Jersey Department of Education – October 2018
Transgender Student Guidance for School Districts

Adopted: March 26, 2019
7471 IDLE-FREE SCHOOL ZONES

The Readington Township Board of Education is committed to the provision of healthy learning and working environments for students and staff. The School Board recognizes that vehicle exhaust fumes contribute pollution to the environment. Unnecessary vehicle idling increases pollution which contributes to adverse effects on the environment and the health of individuals. In addition, it is a proven fact that turning off a vehicle engine rather than idling saves fuel and is not detrimental to the vehicle’s operation. The School Board believes that no vehicles should be idling on school property.

The administrative procedures to this policy provide guidelines to reduce the incidence of vehicle idling on school property in the Readington Township School District. All aspects of this policy will conform to requirements found in NJ Statute 7:27-14.3 and 7:27-15.8.

1. All School Bus loading zones will be posted as “No Idle Zones” to which school staff and the public are to adhere;

2. Unnecessary idling will be restricted on district-owned, leased or rented vehicles and motorized equipment, and on private vehicles used for school business;

3. Motor vehicles and motorized equipment shall not be permitted to stand unattended without first stopping the engine, locking the ignition and removing the key;

4. Motor vehicles and motorized equipment shall not be permitted to idle in a parked position for a period of more than three (3) minutes;

5. When school bus or other drivers arrive at loading or unloading areas to drop off or pick up passengers, they should turn off their buses/vehicles immediately upon arriving to eliminate idling time and reduce harmful emissions. The school bus/vehicle should not be
restarted until it is ready to depart and there is a clear path to exit the pick-up area.

Exceptions include conditions that would compromise passenger safety, such as:

• Extreme weather conditions
  a) If the outside temperature is below 25 degrees (f), idling to operate heaters is allowed for up to 15 minutes; or

• Idling in traffic;

• Use of lift equipment during loading or unloading of children with one or more disabilities;

• Use of a heater or an air conditioner of a bus during loading, unloading or transport of children with exceptional needs;

• Use of defrosters, heaters, air conditioners, or other equipment for safety or health considerations;

• In any of the above cases, if equipment can be run from the battery then the drivers should refrain from idling, unless there is a significant concern of draining the battery.

6. At school bus parking areas, the idling time during early morning warm-up is limited to 3 minutes.
7. Communication of this policy:

- All drivers shall receive a copy of this bulletin at the beginning of every school year.

- Principals shall include in their communication to parents at the start of the school year a reminder that the idling of private vehicles is not allowed on school property and complaints and concerns should first be brought to the attention of the individual school. If the issue cannot be resolved at the school level, complaints are forwarded to the department of transportation.

- The athletic and extra-curricular programs should include in their instructions to schools participating in activities on our properties, information which clearly states that the idling of school and private vehicles at our facilities is prohibited.

- In cooperation with the town, "no idling" signs will be posted at facilities and fields used by the schools unless prohibited.

The Manager of Facilities shall be responsible for the implementation and monitoring of this policy. This policy will be monitored annually.
