A. Purpose – N.J.A.C. 5:39-1.1

1. The purpose of N.J.A.C. 5:39-1.1 et seq. and Bylaw 0164.6 is to ensure a Board of Education or Board of Trustees of a charter school can conduct official public business in an open and transparent manner whenever a declared emergency requires a local public body to conduct a public meeting without physical attendance by members of the public.
2. Nothing in N.J.A.C. 5:39-1.1 et seq. prevents a local public body from holding a remote public meeting under such other circumstances as may be permitted by the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq.

B. Definitions – N.J.A.C. 5:39-1.2

For the purpose of this Bylaw and in accordance with N.J.A.C. 5:39-1.2, the following words and terms have the following meanings, unless the context clearly indicates otherwise:

"Adequate notice" shall have the same definition as at N.J.S.A. 10:4-8; however, for the purpose of N.J.A.C. 5:39-1.1 et seq., and to the extent not otherwise set forth at N.J.S.A. 10:4-8, the notice transmitted to at least two newspapers for publication may occur through electronic mail or other electronic means that is accepted or requested by the newspaper.

"Annual notice" means a schedule of regular meetings of the public body to be held in the succeeding year noticed pursuant to N.J.S.A. 10:4-8 and 10:4-18. For the purpose of N.J.A.C. 5:39-1.1 et seq., the annual notice may be transmitted through electronic mail to newspapers and persons requesting an annual notice pursuant to N.J.S.A. 10:4-18. If the declared emergency prevents the local public body from mailing an annual notice to individuals requesting notice pursuant to N.J.S.A. 10:4-18, it shall be

mailed to individuals for whom the local public body does not have an electronic mail account as soon as practicable.

"Electronic notice" means advance notice available to the public via electronic transmission of at least forty eight hours, giving the time, date, location and, to the extent known, the agenda of any regular, special, or rescheduled meeting, which shall accurately state whether formal action may or may not be taken at such meeting.

- C. Circumstances Under Which a Board of Education May Hold a Remote Public Meeting During a Declared Emergency for Conducting Public Business – N.J.A.C. 5:39-1.3
1. In addition to any circumstances under which public meetings held by means of communication equipment may be authorized pursuant to the Open Public Meetings Act, N.J.S.A. 10:4-1 et seq., the Board may hold a remote public meeting to conduct public business during a declared emergency if the emergency reasonably prevents the Board from safely conducting public business at a physical location with members of the public present.
 2. If, during a declared emergency, the Board holds a physical meeting in a location where, pursuant to State and/or Federal guidelines meant to mitigate the risk of a contagious infection, the declared emergency necessitates capacity restrictions reducing the number of individuals that can be present in the meeting room to an amount below that reasonably expected for the public meeting by the Board, the Board must either hold the public meeting at another location with adequate capacity for the reasonably expected attendance by the public or hold the public meeting as both an in-person meeting and a remote public meeting.

BYLAW GUIDE

- a. As set forth at N.J.A.C. 5:39-1.4(c), no in-person meeting shall proceed if the room capacity does not permit any member of the public to attend.

3. Nothing in N.J.A.C. 5:39-1.3 shall be interpreted to prevent the Board from broadcasting the audio and/or video of, or taking remote public comment during, a public meeting that the public can physically attend without being subject to public health-related capacity restrictions.
- D. Minimum Technological and Procedural Requirements for Remote Public Meetings Necessitated by a Declared Emergency – N.J.A.C. 5:39-1.4
1. If a declared emergency requires the Board to hold a remote public meeting to conduct public business, the Board shall use an electronic communications technology that is routinely used in academic, business, and professional settings, and can be accessed by the public at no cost.
 - a. Participant capacity on the selected platform should be consistent with the reasonable expectation of the public body for public meetings of the type being held and shall not be limited to fewer than fifty public participants (beyond those persons required to conduct business at the meeting).
 2. Remote public meetings may be held by means including, but not limited to, audio-only teleconferencing, electronic communications platforms with video and audio, and Internet-accessible technology, such as live-streaming.

BYLAW GUIDE

- a. If an electronic communications platform or Internet-accessible technology is being utilized for a remote public meeting, a telephonic conference line shall also be provided to allow members of the public to dial-in by telephone to listen and provide public comment as otherwise required by law.
- b. The Board **shall not** require members of the public to state, prior to providing public comment, whether they wish to speak and to identify themselves prior to speaking. The Board shall require members of the public to identify their desire to speak and their comment via a chat box.

7425 LEAD TESTING OF WATER IN SCHOOLS

The health, safety, and welfare of the children in the school district are of utmost importance to the Board of Education. The potential exposure to lead-contaminated drinking water poses serious health problems, particularly for children, as well as for teachers and school personnel, since the risk of lead contamination can come from pipe and plumbing fixtures in school facilities or on school grounds. The Board shall assure the availability of potable drinking water through sanitary means in school facilities or on school grounds. The Board of Education shall provide, in accordance with N.J.A.C. 6A:26-12.4, testing for lead in all district sources of drinking water.

The Board shall conduct lead sampling and analysis in all drinking water outlets to which a student or staff member has, or may have, access in each school facility, other facility, or temporary facility, as soon as practicable, but no later than July 13, 2017, unless the district qualifies for an exemption in accordance with N.J.A.C. 6A:26-12.4(d)(h)(i)(j). This **testing lead sampling and analysis** shall be conducted with a lead sampling plan in accordance with N.J.A.C. 6A:26-12.4(d)1, 2, and 3, and shall be in accordance with the Safe Drinking Water Act, N.J.S.A. 58:12A-1.

The Superintendent of Schools or designee shall complete a review of the final laboratory results within seventy-two hours of receipt.
