1648.11 THE ROAD FORWARD COVID-19 – HEALTH AND SAFETY

The Board of Education plans to provide full-day, full-time, in-person instruction and operations for the 2021-2022 school year. In June 2021, the New Jersey Department of Health (NJDOH) and the New Jersey Department of Education (NJDOE) worked collaboratively to develop guidance, The Road Forward – Health and Safety Guidance for the 2021-2022 School Year (The Road Forward).

The Road Forward replaces the mandatory anticipated minimum standards outlined in the NJDOE’s “The Road Back – Restart and Recovery Plan for Education” (June 2020) and provides a range of recommendations rather than mandatory standards. These recommendations are meant to assist school districts in implementing protocols to reduce risks to students and staff from COVID-19 while still allowing for full-time learning.

The Board considered many factors as they prepared for the 2021-2022 school year, including the level of COVID-19 transmission in the community at large and in the school community, as well as vaccination coverage rates in both the community at large and the school community.

For the purpose of this Policy, “Order” shall mean any Governor of New Jersey Executive Order, New Jersey State Agency mandate, Centers for Disease Control and Prevention (CDC) guidance, New Jersey statute, or administrative code requiring compliance by the school district.

The Board considered the recommendations outlined in The Road Forward to develop health and safety protocols. The Board will consider all recommended Orders and comply with all mandatory Orders when developing health and safety protocols and reviewing them periodically.

The Board considered the recommendations outlined in The Road Forward to develop the school district’s COVID-19 protocols in the following areas and included all of the following in either the district’s *Safe Return* plan or the *Road Forward: Readington Ready Plan*:

The Road Forward COVID-19 –Health and Safety

Pursuant to N.J.S.A. 18A:7F-9, schools must be in session for 180 days to receive State Aid. The statute requires that school facilities be provided for at least 180 days during the school year. N.J.S.A. 18A:7F-9(b) indicates when a school district is required to close the schools of the district for more than three consecutive school days due to a declared state of emergency, declared public health emergency, or a directive and/or recommendation by the appropriate health agency or officer to institute a public health-related closure, days of virtual or remote instruction commensurate with in-person instruction will count toward the school district's 180-day requirement.

The school district may be confronted with the incidence of COVID-19 positive cases among staff and/or students. If the school district is required to exclude a student, group of students, a class, or multiple classes as a result of possible exposure to COVID-19, while the school itself remains open for in-person instruction, the school district may offer virtual or remote instruction to those students in a manner commensurate with in-person instruction to the extent possible. In circumstances when the school facilities remain open and in-person instruction continues in those classrooms that are not required to quarantine, those days in session will also count toward the school district's 180-day requirement in accordance with N.J.S.A. 18A:7F-9.

The school district anticipates updates to The Road Forward and as such this Policy is subject to review by the Superintendent to ensure compliance with Orders that may arise after Board adoption of this Policy. All revisions to Orders affecting this Policy and corresponding Appendices shall be reviewed by the Superintendent with the Board Attorney, School Physician, and Board of Education, if appropriate. The Superintendent may revise the health and safety protocols included in any Appendix as necessary and appropriate. All students, parents, and staff members will be notified of any changes to school district-developed protocols implemented as a result of this Policy, as appropriate.

The Board of Education shall use Commissioner-provided registration forms or locally developed forms that are consistent with the forms provided by the Commissioner. A district-level administrator designated by the Superintendent shall be clearly identified to applicants and available to assist persons who experience difficulties with the enrollment process.

Eligibility of Resident/Nonresident Students

Initial eligibility determinations shall be made upon presentation of an enrollment application, and enrollment shall take place immediately except in cases of clear, uncontested denials. Enrollment shall take place immediately when an applicant has provided incomplete, unclear, or questionable information, but the applicant shall be notified that the student will be removed from the school district if defects in the application are not corrected, or an appeal is not filed, in accordance with subsequent notice to be provided pursuant to N.J.A.C. 6A:22-4.2.

When a student appears ineligible based on the information provided in the initial application, the school district shall issue a preliminary written notice of ineligibility, including an explanation of the right to appeal to the Commissioner of Education. Enrollment shall take place immediately if the applicant clearly indicates disagreement with the district's determination and an intent to appeal to the Commissioner of Education. An applicant whose student is enrolled pursuant to this provision shall be notified that the student will be removed, without a hearing before the Board, if no appeal is filed within the twenty-one day period established by N.J.S.A. 18A:38-1.

When enrollment is denied and no intent to appeal is indicated, applicants shall be advised they shall comply with compulsory education laws. When the student is between the ages of six and sixteen, applicants also shall be asked to complete a written statement indicating the student will be attending school in another school district or nonpublic school, or receiving instruction elsewhere than at a school pursuant to N.J.S.A. 18A:38-25. In the absence of this written statement, designated staff shall report to the school district of actual domicile or residence, or the Department of Children and Families, a potential instance of "neglect" for the purposes of ensuring compliance with compulsory education law, N.J.S.A. 9:6-1. Staff shall provide the school district or the Department of Children and Families with the student's name, the name(s) of the parent/guardian/resident, and the student's address to the extent known. Staff shall also indicate admission to the school district has been denied based on residency or domicile, and there is no evidence of intent to arrange for the child to attend school or receive instruction elsewhere.

Enrollment or attendance at the school shall not be conditioned on advance payment of tuition when enrollment is denied and an intent to appeal is indicated, or when enrollment is provisional and subject to further review or information. The Board of Education shall ensure the registration process identifies information suggesting an applicant may be homeless so procedures may be implemented in accordance with N.J.A.C. 6A:17-2, Education of Homeless Children. Enrollment or attendance in the school district shall not be denied based upon the absence of the certified copy of the student's birth certificate or other proof of a student's identity as required within thirty days of initial enrollment, pursuant to N.J.S.A. 18A:36-25.1.

Enrollment in the school district shall not be denied based upon absence of student medical information. However, actual attendance at school may be deferred until the student complies with student immunization rules set forth in N.J.A.C. 8:57-4.

When enrollment in the school district, attendance at school, or the receipt of educational services in the regular education program appears inappropriate, the student shall not be denied based upon the absence of a student's prior educational record. However, the applicant shall be advised the student's initial educational placement may be subject to revision upon the school district's receipt of records or further assessment of the student.

The Board of Education adopts this Policy to be in compliance with law and administrative code to ensure the enrollment of homeless children in school and to respond to appeals made by parents or other parties related to the enrollment of homeless children.

The Board of Education shall determine that a child is homeless when he or she resides in a publicly or privately operated shelter designed to provide temporary living accommodations, including: hotels or motels; congregate shelters, including domestic violence and runaway shelters; transitional housing; and homes for adolescent mothers. A child is also determined homeless when he or she resides in a public or private place not designated for or ordinarily used as a regular sleeping accommodation, including: cars or other vehicles including mobile homes; tents or other temporary shelters; parks; abandoned buildings; bus or train stations; temporary shelters provided to migrant workers and their children on farm sites; and the residence of relatives or friends where the homeless child resides out of necessity because his or her family lacks a regular or permanent residence of its own. When a dispute occurs regarding the determination of homelessness or the determination of the school district of enrollment made by the school district of residence, the Superintendent(s) or the designee(s) of the involved district(s) or the child's parent(s) shall immediately notify the Executive County Superintendent of Schools, who, in consultation with the Department of Education's McKinney-Vento Homeless Education Coordinator or designee, shall immediately decide the child's status. If the dispute regarding determination of district of residence does not involve the determination of homelessness and/or district enrollment, the school district disputing the Executive County Superintendent's determination may appeal to the Department of Education pursuant to N.J.A.C. 6A:23A-19.2(d), (e), and (f) and

If an appeal of a determination of district of residence also includes an appeal of the determination of homelessness and/or school district of enrollment, the appeal shall be submitted to the Commissioner of Education pursuant to N.J.A.C. 6A:3, Controversies and Disputes.

Any dispute or appeal shall not delay the homeless child's immediate enrollment or continued enrollment in the school district. Disputes and appeals involving the services provided to a homeless child with a disability shall be made pursuant to N.J.A.C. 6A:14.
