2622 STUDENT ASSESSMENT

State assessments provide parents with important information about their child's progress; detailed diagnostic information about each individual student's performance that educators, parents, and students can utilize to enhance foundational knowledge and student achievement; and include item analysis which will clarify a student's level of knowledge and understanding of a particular subject or area of a subject. The data derived from State assessments are utilized by teachers and administrators to pinpoint areas of difficulty and customize instruction accordingly. Such data can be accessed and utilized as a student progresses to successive school levels.

The Commissioner of Education, in accordance with N.J.S.A. 18A:7C-1 et seq. and 18A:7E-2 and 3, may implement assessments of student achievement in any grade(s) and by such assessments as the Commissioner deems appropriate. The system and related schedule of Statewide assessments shall be approved by the New Jersey State Board of Education. The school district shall, according to a schedule prescribed by the Commissioner, administer the applicable Statewide assessments pursuant to N.J.A.C. 6A:8-4.1(c) and (d).

The school district will provide accommodations or modifications to the Statewide assessment system in accordance with the provisions of N.J.A.C. 6A:8-4.1(d).

Students with disabilities as defined in N.J.A.C. 6A:14-1.3 shall participate in Statewide assessments in accordance with N.J.A.C. 6A:14-4.10.
