Staci Beegle, Director of Pupil Services

Jason Bohm, SBA/Board Secretary

Dr. Stacey Brown, Humanities Supervisor

Sherry Krial, PD/Tech Supervisor

Sarah Pauch, Math, Science, Tech Supervisor

Anthony Tumolo, SEL Supervisor

Jim Belske, Technology Coordinator

Minutes

1. Curriculum Review (see summaries below)
2. Language Instruction Education Plan (LIEP) - Mr. Tumolo presented the District's LIEP which is a review of the District's multilingual language program. Previous plan's two goals included- 1) implement and design SEI (Sheltered English Instruction) training. To date, 50% of staff have been trained on SEI. The District has also increased ESL staffing. The ESL period has been revised to mirror a special education resource room. 2) Culturally responsive practices. This includes better communication with families by translating newsletters and correspondence and also increasing the use of pocket translators. New goals for 2024-2027 is to #1 increase participation of Parent Advisory Committee by adding additional meetings. Goal #2 continuation of culturally responsive practices to perhaps provide educational support for parents and caregivers (for example a guide could be created to help non-English speaking family members access School and Community resources. Goal #3 identify Preschool multi-lingual learners and provide professional development on SEI to preschool staff.
3. Professional Development Plan - Mrs. Krial presented the District's Professional Development Plan, which is state mandated to be updated annually.
4. Mentoring Plan - Mrs. Krial also presented the District's Mentoring Plan, which is state mandated to be updated annually. Our District differs from others in that we have a great buddy system for new hires and we go above and beyond State requirements to onboard new staff members. The District has 25 new hires (5 in preschool alone) this year. New Teacher Orientation is scheduled for Aug 19th.
5. Field Trips - Field Trip list will be on the August board agenda. It's an all encompassing list, and doesn't necessarily mean that every trip will take place. Some may also be added later in the year.

6. HSA Fundraisers - The fundraisers list from HSA is an all encompassing list and does not necessarily mean that every fundraiser will take place. Some fundraisers are added later in the year.

Agenda items: Curriculum revisions, field trips, HSA fundraisers, inquiry consultant (since the District is in the final year of the strategic plan, this consultant will close out the plan and provide a keynote address in upcoming professional development sessions.)

Next Meeting: October 9th at 8:30am
