

# Summer 2023 Capital Projects

Jonathan Hart, Ph.D., Superintendent  
Jason Bohm, Business Administrator

# 1. List of Projects: In Brief

Thank you to the Facilities Department, local partnerships and many volunteers from the community!

# Projects

- ▶ Elementary Schools Bathroom Additions
- ▶ RMS Roof Replacement
- ▶ Pupil Services / Curriculum Offices Renovation
- ▶ WHS Garden Renovation
- ▶ Staff Lounges Refresh
- ▶ RMS Cold Water Bottle Filling Stations
- ▶ RMS / HBS LED Lighting
- ▶ Other: IT Phone Backend Upgrades, Concrete, Painting, HVAC /Boiler Updates, Doors, and Many More!

# Status of Projects

The majority of projects have been complete or are nearing completion with minor punch list items remaining.

Supply chain issues are delaying certain aspects of IT projects, along with RMS HVAC replacement for gymnasium

Several security upgrades are planned over the course of the 2023-2024 school year to be implemented in phases

Solar expansion shall likely occur in 2024
