Fundraiser Proposal**

Name of Applicant(s): Maureen Sjonell R.N.
Date of Application: 12/17/13
Title of Fundraiser: Fundrunners Fun Run
Date of Fundraiser: March 25- Program Kick-Off Date & April 3-Actual Event Date
Recipient of Funds: Whitehouse School .

Briefly describe the fundraiser activity (number of students, activity, location, etc.)

Children are find donors to sponsor them for laps that they will run/walk on the day of the event. Sponsorship takes place in one of two ways: (a) per lap (not to exceed 36 laps) or (b) total monetary donation for the entire event. This whole-school event will take place at Whitehouse School. This program encourages personal promise, physical activity, team building and community effort. My children's school district did this last year and it was a huge success. Parents, students and staff all enjoyed the experience. I would like to fund raise to contribute money for new additions to the Whitehouse playground equipment.

The following information is from the website:

The FundRunners Fun Run is a character based program set up to meet financial needs your organization faces on a short and long term scale. The program financially outperforms all product fundraising and most other events, plus it creates an event that your students, parents and faculty will look forward to and enjoy. 100% of your student population will participate in every aspect of the program and receive a free t-shirt or alternative item regardless of financial commitment. Parents are invited to the Fun Run event and are encouraged to bring signs and cheer for their student(s).
