1. Scope/Background: Sprint Solutions, Inc., on behalf of its affiliated entities providing the products and services, and the Lead State, on behalf of WSCA and the NASPO Cooperative, entered into Master Service Agreement No. S1907 effective April 12, 2012 (the Master Service Agreement and Amendments are collectively, the "Master Service Agreement"). Sprint Solutions, Inc., has appointed Contractor, as its agent and attorney in fact for the purpose of entering into and binding Sprint Solutions, Inc., to Participating Addenda under the Master Service Agreement for the provision of products or services to public sector customers in the State of New Jersey.

This Participating Addendum (the "Addendum"), dated the date the last party signs ("Effective Date"), covers the WIRELESS SERVICES led by the State of Nevada for use by state agencies and other entities located in the Participating Entity authorized to utilize the Master Service Agreement. This Addendum is a separate agreement between the Participating Entity and the Contractor entered into under the terms and conditions of the Master Service Agreement except as modified herein.

2. Participation: Subject to the acknowledgement of the respective State Chief Procurement Official, as confirmed to Contractor by WSCA, unless specifically prohibited by State statute, government agencies, political subdivisions and authorized non-profits are authorized to enter into a Participating Addendum under the Master Service Agreement. Issues of interpretation and eligibility for participation are solely within the authority of the State Chief Procurement Official.

INDIVIDUAL CUSTOMER: Each State agency, political subdivision and authorized non-profit, acting as a Participating Entity, that purchases products/services will be treated as if they were individual customers. Except to the extent modified by this Addendum, each agency, political subdivision and authorized non-profit will be responsible to follow the terms and conditions of the Master Service Agreement; and they will have the same rights and responsibilities for their purchases as the Lead State has in the Master Service Agreement. Each agency, political subdivision and authorized non-profit will be responsible for their own charges, fees, and liabilities. Each agency, political subdivision and authorized non-profit will have the same rights to any indemnity or to recover any costs allowed in the contract for their purchases. The Contractor will apply the charges to each Participating Entity individually.
