 E-mail: info@patrickspalsfoundation.com

Activity: The members of the HBS Philanthropic Club wish to raise money via a "Penny Wars" to give as a donation to Patrick's Pals. Members will create materials, advertisements, and relay information to the school community. Coin jars will be available in the cafeteria during lunch times – students will engage in a friendly competition to raise the most money for Patrick's Pals as a "lunch team."

Philanthropic club members also wish to seek community partnerships to enhance the scope of the fundraiser. Student will create a letter to local businesses (such as Sorella's, Starbucks, Readington Diner, Spinning Wheel Diner, Bensi, Readington Diner, Baker's Treat) explaining their project and asking for permission to place a coin jar for donations at the business site. Club moderators will collect the money from the jars at the end of the collection period.

All profits will benefit Patrick's Pals foundation, a local non-profit organization founded to help children with multiple disabilities and their families get help in the form of customized therapies, equipment, and/or related services. 100% of the foundation's proceeds go directly to support the children and their families.

Please return this form to your building principal.
