Subject: 2nd Addendum to Original Proposal/Contract from The Uncommon Thread

Attached you'll find our addendum for the additional hours you requested. If you'll have the addendum signed and sent back to us, we'd appreciate it.

As per your request, we are noting that you have not used \$1,000 for one In-Service training from our original contract dated 8/4/16. Therefore, you may use that \$1,000 towards other TUT services before the end of this school year (2016-2017).

If you have any questions, please don't hesitate to contact me.

Thank you!
