Recipient of Funds Music Department - Student Activity Account

Briefly describe the fundraiser activity (number of students, activity, location, etc.)

This fundraiser would help music students in grades 6-8 defray the cost for our annual festival at Hershey Park. The students would sell gift cards to various stores for a profit. Each student will be credited a % of the total amount of gift cards sold. Our goal is to have each student not have to pay out of pocket for this trip. The initial cost will be between \$90-\$100 per student to attend the festival.
