## **Agenda**

1. Health and PE Standards Presentation by Tazmine Weisgerber from the non-profit Answer based out of Rutgers University. Tazmine shared with the committee a presentation that could be used during a parent night to explain the changes to the standards. Ms. Pauch shared examples of potential Health lessons in the various grade levels according to the new standards. The curriculum is being written this summer and a parent informational night will take place before it comes before the Board for approval.
2. Diversity, Equity, Inclusion Training- Dr. Hart discussed the agenda for the School Leadership DEI workshop to take place this summer. The Leadership Team and a group of teacher leaders will come away with a framework for training staff revolving around DEI and the new law.
3. Discussion of text approvals - The committee discussed the current protocol for which books come before the Board for approval and recommends this to be further discussed in the Policy Committee.
4. Agenda items: DEI training, standard agenda items
5. Next Meeting: August 18@ 8:30am
