## 1511 BOARD OF EDUCATION WEBSITE ACCESSIBILITY

It is the goal of the Board of Education that the information on the school district's internet websites are accessible to individuals with disabilities in compliance with the requirements of Federal law (Section 504 of the Rehabilitation Act of 1973 and that statute's implementing regulations at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 and that statute's implementing regulations at 28 C.F.R. Part 35) and New Jersey law (N.J.S.A. 18A:36-35.1).

### A. Federal Law – American with Disabilities Act (ADA)

1. For the purposes of the Federal law - Section 504 of the Rehabilitation Act of 1973 and that statute's implementing regulations at 34 C.F.R. Part 104, and Title II of the Americans with Disabilities Act of 1990 and that statute's implementing regulations at 28 C.F.R. Part 35 and this Policy, "school district website" includes, but is not limited to, the internet home page, all subordinate pages, school or school district department pages, intranet pages and sites, and includes online content and functionality, developed by, maintained by, or offered through a third-party vendor or by using open sources.
2. The accessibility of online content and functionality will be measured according to the most up-to-date version of the World Wide Web Consortium's (W3C) Web Content Accessibility Guidelines (WCAG) and the Web Accessibility Initiative Accessible Rich Internet Application Suite (WAI-ARIA) 1.0 for web content (benchmarks for measuring accessibility).
3. By conforming to the benchmarks for measuring accessibility set forth above, the Board of Education will ensure that people with disabilities have an opportunity equal to that of their nondisabled peers to access the information on the district's website

4. To ensure the district's website conforms with the above benchmarks for measuring accessibility, the Superintendent of Schools will designate a school staff member to act as the Website Accessibility Coordinator. The Coordinator will:
  - a. Ensure that in-house staff and contractors responsible for webpages and webpage content development are properly trained on the Board of Education's website accessibility policy and procedures;
  - b. Ensure that all new, newly added, and modified online content and functionality is accessible to people with disabilities as measured by conformance to the above benchmarks by, among other things:
    - (1) Checking the hypertext markup language (HTML) of all new webpages on the website to make sure that accessible elements are used, including "alt" tags, long descriptions, and captions, as needed;
    - (2) Ensuring that webpages are designed in a manner that allows them to be displayed using a visitor's own settings for color and fonts, and can be navigated with a keyboard;
    - (3) If images are used, including photos, graphics, scanned images, or image maps, making sure to include text equivalents for them, using "alt" tags and/or long descriptions for each and ensuring the text equivalents convey the meaningful information presented visually by the image;
    - (4) If online forms and tables are used, making those elements accessible;
    - (5) Ensuring that videos appearing on the website include appropriately synchronized audio description and captions;

If documents are provided in both formats, provide both formats at the same time so people with disabilities have the same degree of access as others;
  - (7) Periodically enlisting people with a variety of disabilities to test the Board of Education's webpages for accessibility and ease of use and use this information to increase the Board's website accessibility;
  - (8) Periodically coordinating the audit of existing content and functionality of the website to identify online content or functionality that is inaccessible to persons with disabilities; and
  - (9) Developing and carrying out a corrective action plan, when necessary, for making the district's existing web content accessible.
- c. Ensure that alternative means are available for people with disabilities to access information, programs, and services that are normally provided on the Board's website.

B. New Jersey Law – N.J.S.A. 18A:36-35.1

## 5517 SCHOOL DISTRICT ISSUED STUDENT IDENTIFICATION CARDS

The Board of Education recognizes school building security measures are important for the safety and welfare of all students, staff, parents, and community members in school buildings. In recognizing this important responsibility, the Principal or designee may require students to carry a school district issued Identification Card.

An Identification Card will be issued to all students in middle school.

The Identification Card shall have printed on the back the telephone number for the New Jersey Suicide Prevention Hopeline (NJ Hopeline) and contact information for a crisis text line pursuant to N.J.S.A. 18A:6-113.1. The district may, in addition to the telephone number for the NJ Hopeline and contact information for a crisis text line, provide the contact information for the National Suicide Prevention Lifeline, a school district crisis center, or any other mental health support services pursuant to N.J.S.A. 18A:3B-73.2.

The Principal or designee may require a student to present their Identification Card at any time during the school day or at any time during a school-sponsored activity on school grounds.

Notwithstanding any provision of this Policy, the Principal or designee may also require students carry their Identification Card at any school-sponsored, off-campus activity, including but not limited to, field trips or interscholastic sports programs pursuant to N.J.S.A. 18A:36-43a. The provisions of this Policy shall not be construed to require a student to carry the Identification Card while participating in an athletic contest or competition, an activity involving fine arts or performing arts, or any other activity that the Commissioner of Education determines does not require the physical possession of an Identification Card. An Identification Card used in accordance with N.J.S.A. 18A:36-43a shall include, but need not be limited to, the following information: the student's name; an up-to-date photograph; and the current school year.
